Four Crops a Year.

How great are the possibilities of Hawaii as a fruit and vegetable growing country will be understood when it becomes known that four crops of potatoes have been produced in seven, on the same piece of land within twelve months. Radishes become edible in ten days after sowing. Strawberry vines bear fruit all the year. The orange crop is gathered in June.

Cabbage grows all the year and frequently makes no difference whether they are planted in the spring, summer, autumn or winter. Parsely runs soon to flower, Lima beans continue to grow and bear for over a year, and they have to be gathered every week after starting to bear. 1 tomatoes bear all the year and so do bushes, which require great attention, bear for years, and grow to a large size.

Pineapples come into bearing when the plants are four months old and bear in abundance for years. Lettuce can be planted at any time and it develops quickly. The mean annual temperature is 75 degrees. [Fruit Trade Journal.

For Over Fifty Years.

Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain; cures wind colic, and is the best remedy for diarrhœa. Sold by druggists in every part of the world. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. Twenty-five cents a bottle.

A Novel Idea.

Central Christian Church at Lexington, Rev. E. L. J. Rousseau pastor, has originated the novel idea of a church kindergarten on Sunday morning, so that mothers with little children may attend church, instead of having to stay at home. The plan is to be put into operation next Sunday. All mothers who desire to leave their little ones in Sunday School and Sunday School classes themselves are requested to notify Secretary Cress, and when the Sunday School services are over, the children will be taken into an upper room by lady members of the church and accused and instructed while their mothers are attending services. The plan is a novel one and is expected to work admirably.

DOES IT PAY TO BUY CHEAP.

A cheap remedy for coughs and colds is all right, but you want something that will cure, and cure the more severe and obstinate results of throat and lung troubles, such as Consumption. Is a waiver and after regular climate? Yes, if possible if not possible for you, then is either case take the best remedy that has been introduced in all civilized countries with success in severe throat and lung troubles. "Dandelion and Tar Syrup." It not only relieves but eradicates the disease by destroying the germs of disease, purifies the system, causes rapid expectoration, gives a good night's rest, and cures the patient. 25 cent bottle. Recommended many years by all druggists in the world. For Owen's Prize Almanac, Tarrasan & Son.

Working Night and Day.

The busiest and mightiest little thing ever was on sale is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain fag into mental power. They're wonderful in building up the body. Only 25c per box. Sold by Tarrasan & Son, drug store.

Drinks at Cost.

James Frost has appeared at Dickson, Tenn., to engage in the saloon business. He plans is being discussed and fortunately for him, every dollar will be returned. A new vessel construction company has been organized at Dickson. They are now organizing a stock company, composed of 100 leading citizens, with the intention of securing the opposition saloon. At the liquid shop an expert barkeeper will be employed and drinks sold at cost, taking all profit off the business. Mr. Frost will then drive Frost out of the business and will be run out of town on a rail. The citizens say drinking saloons are nothing as end of attention, because the people will not patronize them, and the community will engage in the liquor business.

Gen. W. Lane, Fresno, Mich., writes: "Your Kodol Dyspepsia Cure has been of wonderful benefit to me, and I cannot think that I ever used. For years I suffered with indigestion and dyspepsia but no help in bed and none in the well-all ways. I am completely cured by Kodol Dyspepsia Cure. I am recommending it to friends who suffer from indigestion. I always offer your letter to if it fails. Thos bar i have never yet used." S. P. Baird, druggist.

An exchange says that a fellow looked so much like a horse that a blacksmith tried to justify him in using tobacco and the two men came to blows. The last chapter of Revelation and is in the second sentence of the eleventh verse and we'll bet seven of the old settlers who use tobacco will read that verse over within an hour after reading this paragraph. [Hopkinsville New Era.

Negro Silver, North Stratford, N. H., "I purchased a bottle of One Minute Cough Cure when suffering with a severe cough-it relieved me immediately. One bottle relieved me of the second and third bottle cured me." Sold by S. P. Baird, druggist.
