**THE NEW SCHOOL LAW**

The Kentucky Educational Reform Act, which was passed by the General Assembly in 1902, is a landmark in the history of education in this State. It provides for a system of public schools, and for the appointment of a State Board of Education, which shall have the honor and the power to make and amend the laws relating to the public schools.

**We Know What**

It is a fact that the people of this State are suffering from a general depression. The cause of this depression is the failure of the Government to pay its debts. The Government has borrowed money from the people, and has not paid it back. This has caused a loss of confidence in the Government, and has led to a general depression.

**Help... Nature**

Babies and children need proper food, early and often. If they do not get something to eat, they will not grow. If they do not get something to eat, they will not be healthy. If they do not get something to eat, they will not be happy.
