**Mrs. Fred Usher.**  
I have been suffering for several years with a severe case of Biliousness, Constipation, Headache, and Impaired Digestion. I have tried many remedies, but nothing has done me any good until I started taking **HERBINE**. After taking only a few bottles, I feel like a new woman. My bowels are regular, my appetite is good, and my head no longer aches. I can now do my usual household work and enjoy life again. I can truly recommend **HERBINE** to all who suffer from these troubles. It is a most wonderful medicine.
