Most Popular Line to the West, Great World's Fair Route for 1904.

The Baltimore and Ohio Southwestern Railroad has in the past few years, spent millions of dollars in rebuilding of its line, laying it in steel rails, bonding and ballasting its roadbed, putting in new curves and adding new and elegant equipment and is now prepared to offer the traveling public all the comforts of home while journeying over its line. The company will be a big factor in the travel to the coming Worlds Fair and in making great preparations at this early day in order to handle the immense crowds that will go from this section of the country.

The B. & O. S. W. now has three solid trains daily to St. Louis, making close connections at Cincinnati in each and three quarter hours, and even faster time is contemplated. These trains are composed of Pullman Buffet Sleepers, Coaches and Dining Cars. The Dining car service on this line is the best in the country and is carried on by a hostess' plan of popular prices. Direct connections are made in the Union Depot at St. Louis with Union Station for Kansas City, Omaha, Denver, San Francisco and all points in the West, and Northwest.

The Lexington, Missouri, Presbyterian pound troubadours endeavoring last fall base ball and basket ball, on the grounds that those sports, when interpreted according to the rules of the game, are fascinating; but as of this to the slightest of all objections that could be raised against those sports. Anyone who wants to gamble is going to gamble, anyhow on athletic contests or horse races. But if that outlet to the gambling need is closed artificial closure will be found to make betting possible. Solomon discovered long before our time was known of college athletic sports that a fool and his money are soon parted. This is still true so how are the fool auctioneer he must sell to get hold of money to part with.—Kentucky Advocate.

Doctors then say hospital thermometer or costly barometer is an old scratched up, lop-eared cuss. If he eats green, it is a sign of rain; if he shakes with his back to the stove, look out for cold weather; when he watches for his work boots for company in evening, if he is nervous at the time he is nervous already, look to the lightning rod, as the storm is coming; if he is playful, look for the first sign of consolation. If you haven't a mouth old cat you had better get one at once.—Ex.

The executive committee of the Kentucky State Fair selected a resolution prohibiting horse racing with betting at the coming state fair at Owensboro.
