CARDINAL SARTO, of Venice, was elected Pope Tuesday, and took the name of Pius X. He is 68 years old but is active and alert for one of his age.

EARLY BIRDS.—Fleming County Democrats will hold a primary December 5th, to select candidates for county offices for the November election 1905. The Democrats of Fleming seem to be afraid the offices will get away.

THE death of Judge T. F. Hargis suggests to us older citizens some thrilling and strenuous times. We remember the time when the Judge was the easy boss of this section, and dictated political affairs with ease.

THE trial of White and Jett is progressing satisfactorily at Cynthiana. We take it from the testimony published in the daily papers that a strong case is being made against the accused, even stronger than was made at Jackson.

PARENTS, guardians and others interested ought to be for the small tax of 15 cents on the hundred dollars to extend the term of the public schools throughout the country. Educate the children and that will be worth more to them than money.

THE third trial of Caleb Powers charged with participation in the assassination of Senator Goebel is in progress at Georgetown. Judge Robbins, of Graves county is presiding and as most the excitement over the killing has subsided, the accused ought to have a fair and impartial trial. The defense made great effort to have the trial postponed, but was overruled by Judge Robbins.

WITHOUT desiring to criticise anyone, yet we feel it to be our duty to the tax-payers of Nicholas county to inform them that their financial affairs are in about as poor shape as it is possible for them to be. With a debt steadily increasing, and taxes as high as they can go, the outlook under the present management is not very encouraging.

Want Gorman for President.

A dispatch from Pittsburg, Pa., Aug. 3rd says:—It is reported here that the Democratic leaders have selected Senator Arthur P. Gorman, of Maryland, to be a candidate for President next year. J. K. Jones, Democratic National Chairman, Senator W. J. Stone, of Missouri and others are said to be working in Gorman's interest. It is intimated that W. J. Bryan will be brought into line.

Our Turnpikes.

At a called session of the Fiscal Court last Friday, convened for the purpose devising ways and means to make much needed repairs on our turnpike roads, nothing was done further than to order the Superintendent to spend as little money as was possible, since the County is greatly in debt and getting farther so every year. The Court failed to take steps looking to the issuing of bonds, and practically abandoned the roads to the elements for a year. The people of Nicholas are getting all that is coming to them.

No Wonder He Died.

Goodloe Combs, one of the witnesses in the Jett-White case at Cynthiana, died last Saturday. He had been on a protracted spree, and the following statement made by Dr. Taulbee, who attended him, shows that he died a "natural" death: "He was taken ill late Friday afternoon, while standing on the street talking to Dr. Offutt. The doctor prescribed for him, giving him morphine and laudanum. As the pain continued unabated, Combs went to a drug store and purchased more morphine, which he took. He then went to his boarding house, where he continued worse, and Dr. Wells was called in. The Doctor, not knowing that his patient had already taken morphine, gave him some more and in addition a hypodermic injection of the same medicine."

After Allie.

The New Haven Echo says: "The Breckinridge Democrat is out in a column editorial promoting the name of the Hon. Ben Johnson, of Bardstown, for chairman of the State Central Committee, the position that is now occupied by Allie Young with no credit to himself or party. Just how to get Mr. Young to realize his obnoxiousness so that he will resign is not clear, but it is, that Ben Johnson is the right man for the position. No man in the State is so well equipped for this position or could fill it more acceptably to all. He is honest, careful and conscientious, capable, deserving and just and would make an ideal official. We are for him, first, last and all the time; and for the man who will tell me how to make the vacancy and then how to get Ben into it."

Another Victim.

State Senator N. W. Utley, who occupies the position of Speaker of the Senate, and consequently Governor of Kentucky in the event of the disability or death of Governor Beckham, finds himself the victim of the political machine in his district, and has withdrawn from the race for re-election. In a lengthy card which shows a spirit of rebellion against the "constituted authorities," he says:

"I am not a candidate, and have not been since it was determined last Spring that the people should be denied a primary election in which to make their nomination for that office. I favored a primary, and would have been glad to go before the people in that way to have met my opponents.

POLITICAL RING.

"But there is a political ring in control, not by choice of the people, but by corrupt bargaining of the State political machine in charge of our party here, which I have refused, and shall refuse to serve."

Senator Utley is now getting some of the medicine he took pleasure in forcing down others, and we are tickled almost to death. "The mills of the gods grind slowly, etc."

JUDGE T. F. HARGIS IS DEAD.

Judge Thos. F. F. Hargis, formerly of this County, died at the home of his daughter, Mrs. Adison Rogers—Anna Trigg Hargis—at Springfield, Ohio, Monday morning, the 3rd inst., of softening of the brain.

Judge Hargis was born in Breathitt County, in 1842, and came to Nicholas when quite a young man. He served this County as Judge and Senator, and was elected to the Court of Appeals while living here.

The Louisville Times in writing of the death of Judge Hargis adds:

"Judge Hargis was married to Miss Lucy Norvell, daughter of Mr. Wm. Norvell, of Carlisle, while he was practicing law at that place. She, with five children, one son and four daughters, survive him. The children are Mr. Robert Wooley Hargis, of this city, who holds a responsible position in the general freight office of the Monon railroad; Mrs. Jerry South, of Arkansas; Mrs. Adison Rogers, of Springfield, Ohio; Miss Mary Hargis, who is visiting her sister, Mrs. South, and Miss Marcia Hargis, who is now abroad with a party of pupils from the girls' seminary the two unmarried daughters have been conducting for several years at Houston, Texas. It was the intention of the young ladies to remove the school to Paris, France, this fall.

Judge Hargis was a leading member of the George Eastin Camp of Confederate Veterans in this city, and took an active part in everything pertaining to the Southern Confederacy.

His body will be taken to Carlisle, Ky., his old home, and buried in the family burying ground at that place, Friday."

Morgan's Men at Parks' Hill.

Plans for the reunion of Morgan's men, which is to be held at Parks' Hill, Nicholas county, on August 18th, 19th and 20th, are rapidly assuming shape.

The various committees are making their reports and everything possible will be done to make the meeting a most enjoyable one.

The Committee on Program, of which Gen. Basil W. Duke is Chairman, has decided not to have a set program with selection of speakers, but comrades will be invited to give informal talks on the evenings of August 19th and 19th.

The Committee on Arrangements, of which Stephen G. Sharp is Chairman, reports that comrades will assemble at Parks' Hill in the forenoon of July 18, and leave for home at 6:40 on Aug. 20.

This committee has made a contract with the Parks' Hill Company, who will furnish rooms completely equipped and meals served in the spacious dining room, for $1.25 a day. The cottages where the comrades will sleep will have every convenience to add to the pleasure and comfort of guests.

The grounds which include about twenty acres, are enclosed with a picket fence and lighted all night with immense gasoline lamps.

It is especially requested that each comrade who expects to be present send his name, postoffice address, name to company and regiment and $1 to Horace Taylor, Carlisle, Ky., manager of Parks Hill Company, so he will know how many to expect and form his plans accordingly. This should reach Mr. Taylor not later than the 11th. The dollar from each comrade is to defray the expense of a good band.

The trains from Winchester, Richmond, Paris and Lexington reach Parks Hill at 9 a. m. and 7.30 p. m., and leave Parks' Hill for the above points at 6.40 a. m. and 2.10 p. m.

The committees in charge of the reunion are as follows:

Arrangements—Stephen G. Sharp, Ben Bogstaff, Jas. W. Bowles, John A. Bell, John B. Boulden, John H. Carter, Joe Collins, E. P. Haley, A. T. Forsythe, Wat Matthews, Alex. Macklin, Jas. A. Mitchell, Thos. N. Offutt, Ab. H. Sinclair, Horace Taylor, Sam Levy, Jas. D. Rudy.

Program—Basil W. Duke, W. C. P. Breckinridge, Thos. W. Bullitt, John B. Castleman, Cicero Coleman, Leland Hathaway, J. D. Hunt, Jas. D. Hines, Dr. John Lewis, Henry L. Martin, Jerry R. Morton, Henry L. Stone, Thos. W. Scott, W. J. Stone.

Transportation—F. C. Morgan, Kit Blackburn, R. S. Bullock, Andrew Broaddus, Henry S. Holliday, W. A. Lewis, Sanford Mitchell, Coley Patty, John G. Roach, Geo. B. Taylor, Joe Vincent, Bate Washington.

The Big Railroad Collision at Lexington Elks Fair.

Everybody is going to see the great head-end collision at the Lexington Elks' Fair on the afternoon of Wednesday, August 12. The dates of the Fair this year are August 10-15, inclusive. A great programme has been arranged. DeBaugh's 20th Century Band of Chicago, will play, there will be running and trotting races every afternoon, the stock exhibition rings will be filled as they never have been before and there will be all kinds of attractions to amuse the women and children. Low rates on all railroads.

FAMOUS HORSE CREMATED.—Lightning struck the large barn at John E. Madden's, Hamburg place Tuesday night, near Lexington, burning the barn and killing three horses, including the famous thoroughbred stallion, Imp Mirthful, sire of Aceful, Skillfull, Jackful, Mexican, Witful, etc., and inflicting a loss of probably $100,000. The barn cost $20,000, and was insured for $15,000. In it were $7,000 worth of feed and trappings. Two youngsters burned—a colt by Mirthful and a filly by Pianist—valued at $5,000.

Statement of Sup't. of Turnpikes of Nicholas.

Having been frequently asked by divers tax-payers of the County regarding the disbursement of money expended on the turnpikes and bridges, I, for the information of all those who may be interested in the premises, submit the following as a statement of funds passing through my hands or passing under my control from the time I assumed charge of the turnpike affairs until July 31st, 1903.

When I assumed charge in March, 1901, the Road & Bridge Fund of the County was about $4,000 in debt. During the year 1902 by an order of the Fiscal Court the sum of $500 was ordered from the Road & Bridge Fund and was expended in the construction of a new Kader Burroughs Turnpike, and by order of the same Court for the year 1903 the sum of $1,200 was ordered from said Fund to be expended in the construction of a new turnpike from the Upper Jacksontown to the East Union pike by way of Concord.

During the year 1902 the total amount of orders given me on said Fund amounted to $12,499.41, and in the year 1903, to July 31st, thereof, the total amount of orders given amounted to $7,455.50, making a grand total of $20,-954.91, of which during the year 1902 the County Treasurer paid $7,629.20 and out of the levy of 1903 the Court has estimated that $8,000 would be paid into this fund, leaving a deficit in said fund at this time amounting to $5,326.71 making a difference of about $1,326.71 in the indebtedness now and when I assume charge.

This August 1st, 1903.

A. HILDRETH,
Sup't of Turnpikes for Nicholas Co.

Carlisle Beat Our Juniors.

On Friday last the Carlisle Junior base ball team, chaperoned by W. B. Ratliff and made up by the following young gentlemen: Berry Ratliff, Ray Rossell, Robert Shay, Lane Martin, Clarence Eales, Frazer Eales, Geo. Shay, Milford Berry and George Duckworth, came over to play our Junior nine on the High School campus, defeating them by a score of 17 to 15. We were away that afternoon and cannot give a report of the game in detail, but we want to say that the gentlemen made a good impression on our people by their good behavior, and they would be welcomed again should they desire to come.—[Flemingsburg Times-Democrat.

A Megaphone Quartette.

DeBaugh and his famous 20th Century Band, which will be one of the main attractions at the Lexington Fair, week of Aug. 10, is noted throughout the country for its originality. One of the many original conceptions and one that has never failed to hold the audience in rapturous admiration is the celebrated Double Megaphone Quartette. Miss Olga DeBaugh, a violinist of renowned ability, whose charming personality and versatility, added to her remarkable renditions, has won the unstinted praise of press and public, will be another feature of this clever organization.

ANOTHER paper purporting to be the last will of the late C. M. Clay has been presented. He gives his "White Hall" and farm to the United States and most of his other property to his child wife, Dora Brock, and makes her his Executor without bond. This late paper shows plainly that the old General was not of sound mind. He's dead now, and we feel safe in saying this.

Miss ETHEL BERRY, daughter of Mr. and Mrs. Jesse Berry, gave a party to her young friends Saturday night in honor of her tenth birthday. There were about 40 present, and the evening was spent in dancing and games. A delightful lunch was served. Miss Ethel received many nice presents.—Bourbon News.

THE First two days of the Germantown Fair have 79 rings for sheep, swine, cattle, saddle and draft horses. Farmers who desire to make an intelligent study of best farm stock, should not fail to see this instructive exhibit. On account of over $600 of increased premiums, the exhibit in these classes is expected to be the best in years.
