The Carlisle Mercury is the latest weekly publication, and each week seems to bring additional improvements to it. Either Keller's energy or his pocket-book must be unbounded as the Mercury runs finer and better than ever, equally as successful as its rival.—Cynthiana Log Cabin.

Hon. John D. Caldwell, of New Castle, has declined to be a candidate for another term from the Henry district. Mr. Caldwell has been a faithful and honest Democratic pledge their support.

The Carlisle Mercury is out in a handsome dress of new type, and each week seems to bring additional improvements to it. Either Keller's energy or his pocket-book must be unbounded as the Mercury runs finer and better than ever, equally as successful as its rival.—Cynthiana Log Cabin.

Hon. John D. Caldwell, of New Castle, has declined to be a candidate for another term from the Henry district. Mr. Caldwell has been a faithful and honest Democratic pledge their support.

The second report of the Philippine Commission and of the Civil Governor from Gen. Taft have reached Washington. The reports are full and show that all agricultural departments industries are growing, and almost all useful laws may be necessary to wipe them out. The Governor and the Commission are now active as the proposition to extend the civil authority to the islands. The commission terminates its 2 per cent schedule.

On May 6th.

The Democratic Executive Committee of the Third Congressional District met in Hopkinsville Saturday for the purpose of setting a date for a Convention to nominate a candidate to succeed Hon. Edward Wood of Mt. Sterling.

The candidates are Mr. John C. Wood of Mt. Sterling, Mr. C. L. Cosby of Augusta, Mr. W. H. Lovelace of Maysville, Mr. A. T. Nolan of Williamsburg, Mr. J. W. Patrick of Hopkinsville, and Mr. R. H. Hill of Russellville.

The Convention will be held in the County Courthouse on Saturday, May 3rd, and the district Committee will decide, at Paris.

Thos. M. Sharp.

By authority of Hon. T. J. Sharp, we announce that he will be a candidate for Representative of the Kentucky Legislature of the Democratic party. Mr. Sharp feels that he should be endorsed by a re-election by the party he loves and serves so faithfully. He has been a faithful and able member to the House of Representatives of his native county. He will meet with competitors in his candidacy and will be a hard race for nomination. He asks your kind consideration.

On our first page today will be found Judge Jas. D. Black's announcement from the race for Governor. Mr. Black gives four reasons for such announcement each of which is good and sufficient. He is a man of ability, and a credit to his county, to his district, to the State. He has been a member of the House of Representatives for the nomination for Governor would be fairly bestowed. Whether in Confederate or in Treasury. He further says he will be a candidate "dark horse" candidate.

The Mt. Sterling Advocate heads the editor of the Mercury has nothing to say about it—no interest in it. There is no oil in Kentucky—a letter editorial, a dry corn-stalk, a few Democratic Governors, and the Democratic party will be in control of the State. Why not have a little interest in the matter? Kentucky's resources of oil and natural gas are developed enough to warrant the belief that Kentucky has a large share of the Standard Oil Company's wells in Kentucky, and it will likely take forty years for the party to recover from it. The editor of the Mercury feels compelled to say that he has such demonstrated pain for Judge Black.

The Courier-Journal of Monday said: "The crop of wheat at Chicago has fallen two cents during the past week. Difficulty in securing the cars is holding up the price of corn. The outlook for the early market is good if fattened, it not unload that stock too suddenly. Cattle prices continue to be very low."

Spring Seat Saddles

I have now in my employ Mr. John D. Sanderson, who is well known all over this section of this and other States as the maker of the most renowned Spring Seat Saddle in the United States, which is known as the Dallas Saddle as it is undoubtedly the peer of any Saddle manufactured.

I cordially invite the public of this and other States to call and examine my work, or send an order for one of these celebrated Saddles. The prices are so low made as low as they can be manufactured.
