**IN THIS PAPER**  
The Island of Regeneration

**THE ISLAND OF REGENERATION**  
Is a Herby Treat of exceptional merit, and we take pleasure in offering it to our readers.  
If you know Brady and he works you agree that he is a partner with the pen, and you can appreciate the value of this story when we say it is undeniably his masterpiece.  
From beginning to end it is filled with Unique Situations, Dramatic Intensity and Thrilling Action.  
In short, if you want to read one of the best and clearest stories ever written worth the opening chapters soon to appear

**IN THIS PAPER**  
WHERE IS THE Island of Regeneration?

**HELENDALE DAIRY-COW STALL**  
The Helendale Dairy was organized in 1885. It has not only been successful in its business, but it has also been successful in its efforts to improve the breed of its cows. The Helendale Dairy is now one of the largest and most successful dairies in the West. It has a herd of over 100 cows, and it produces over 100,000 pounds of milk each year. The Helendale Dairy is also one of the largest and most successful dairies in the West. It has a herd of over 100 cows, and it produces over 100,000 pounds of milk each year. The Helendale Dairy is also one of the largest and most successful dairies in the West. It has a herd of over 100 cows, and it produces over 100,000 pounds of milk each year.
