EN GRANT, 2290

The Black Black

Personal

The average man dislikes any suggestion of Showiness in the Style or Cut of his clothes. What he does want is a Garb that Reflects the Style

rather than one that is Extreme. The man who discriminates will appreciate the tone of Good Taste Expressed in our Spring Suits. Thes. Bepressent Style in its Most Correct Prom and the Garments have a Positive Air of Distinction that Command Recognition.
