

Women Suffer Agonies from Diseased Kidneys

And Most Women Do Not Know the Real Cause of their Condition

In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Fisher, of Covington, Ky. "I would have been a great deal better off had I known of CARDUI. I suffered greatly with dizziness, nervousness, sick headache, heart palpitation and many strange feelings. I had a great deal of trouble, but they did not go on, so I concluded to try CARDUI."
