COUNTY OFFICIALS
Of Owen County Heartily Endorse Hon. L. C. Littrell for Supt. of Public Instruction.

OWENTON, KY.

DEAR SIR:

We, the undersigned Democratic officials of Owen County, Ky., take this means of announcing to you the candidacy of Hon. L. C. Littrell, of this county, for State Superintendent of Schools subject to the action of the Democratic State Primary, July 1st 1911.

Mr. Littrell served us in the last session of the General Assembly with credit and ability, and through his efforts much needed legislation was enacted which has been of great benefit to the people throughout the State.

He is a man of good reputation, well qualified and possessed of the ability to make a first-class official for the position he seeks, of good practical judgment and in every way worthy of the support of the Democracy of Kentucky.

Our county has had but one State officer since the war, the Seventh Congressional District is a district that can always be relied upon to give the ticket a handsome majority. Mr. Littrell was for four years in our county, has been our County Superintendent and is one of the best school men in the state. He stands for good roads and better schools.

Taking this into consideration when we present a candidate for State office, possessed of the strength and ability of Mr. Littrell, we feel sure that you will consider his claim for support and and influence in his race. Thanking you in advance for your support and influence in behalf of Mr. Littrell, we are

Yours very truly,

J. W. Cammack, Circuit Judge; W. P. Yancey, County Judge; Alvin Steger, Circuit Clerk; Walter Wilhoite, County Clerk; R. L. Hancock, Deputy Clerk; J. L. W. Slaughter, Co. Atty.; J. P. Sidebottom, Sheriff; W. A. Barnes, Co. School Supt.; G. W. Furnes, Co. Treasurer; Vanden Cobb, Jailer; Alonzo Jones, Assessor; W. J. Humber, Coroner.

The Use of Schoolhouses

The Bath County Board of Education believes that school houses should be used only for school business. It has adopted a resolution prohibiting the use of the district school buildings "for any other purpose than that of educating public schools."

Some of the members of the Farmers' Union are reported to be indignant at the order, believing it was chiefly aimed at the farmers' organizations. Ordinarily these should not seem to be any reason why a peaceable body of farmers should not hold their gatherings in the district school houses. As the Farmers' Union, by its own admission, is not a body it might justly expect to be accorded the time-honored privilege of using the school houses for its meetings. Possibly the Board of Education fears that the Farmers' Union is likely to develop into a political cabal or to organize a "Silent Brigade" on the side. This fear is not justified by the history of the union which, in this State at least, has been free from evil influences and by the fact
