# The Ring and The Man

By  
**CYRUS TOWNSEND BRADY**

## A STORY OF POWER

The Power of Wealth, of  
Politics and of Love.

A man of wealth and  
of moral courage who  
defies the political ring  
in his campaign for  
Mayor of New York.

Of course there is a  
love story but it is of  
the inspiring and  
enobling type.

No story of recent  
years is a more timely  
commentary on the  
awakening civic con-  
science in our great  
cities.

You owe it to your  
own good citizenship  
to study this fascinating  
character. There's  
plenty of action and  
interest.

Start with the opening  
chapter.

WATCH FOR IT. It is vital to the rest of the story.

If your name is not on our list  
let us enter it.  
This story alone will be well  
worth the cost.
