COUNTY SCHOOL NEWS

Educational Division "C" met last Saturday in fifteen minutes made by the resignation of J. T. Travis No. 7 and A. E. Stephenson No. 1.

Mr. Travis moved from the county and Mr. Stephenson had good reasons for resigning. Both were splendid trustees and always on hand at Board meetings here. E. Claypole was elected to fill the unexpired term of Mr. Travis since Jno. Fields to fill the unexpired term of Mr. Stephenson. The Board was fortunate in getting two such good men to fill the vacancies. J. M. McNary was elected Secretary of the Board.

Anna Stamper, the Chairman, presided over these meeting and offered three special resolutions, which owing to lack of space just now, we can not give in full, but we will give them in substance. That no petitions for the creation of territory be received except to be for the best, that this Board does not consider any petition. Further that as the teacher sets in the school another resolution in substance was that this Board employ Normal trained teachers so far as possible, and it will be possible for anyone to time school will begin some time in July and that we will have attended a Normal School either this year or within the past two years. There is a few of exceptions made in such trustees and patrons to the Board that teachers do not do good work as for the claiming reason forget, another good resolution was that all teachers of this Division will be asked to refrain from chewing during the term. They were handed to the Secretary to be voted on but were accidentally adopted.

In mentioning the names of the boys who have entered the race growing out of the following names were omitted, Augustus Evans, Erastus Meyers, and Elijah Sebe. We want to assist as the county and trustees of these boys for we feel every boy who is in the county schools Saturday, March 18, at one o'clock now to start to give them all the aid possible. Here they send out their boys. Every mother and father should come to this rally and bring their children and we make this the greatest Educational rally Nicholas has ever had, because it is given in honor of the boys who intend to take part in the first attempt at agricultural education ever held in the county. All who are interested in this phase of education are earnestly invited. Here we feel we will be entertained by the Murray Glee Club, a good address by some of the well educated ladies or gentlemen of our State and a prize for the boy and girl that will have the best pig, calf, colt, etc. For good judges Mr. Andrews, and Lennie Bratton, the county teacher of the Court House are to be the ones for the rally. We can't learn any lesson in giving the boys a chance to encourage and it will be a good foundation for the rally. Remember the date, March 18th.

We wish to say to the patrons of the County School subscribe! No. 2, we received $1.00 the other day and we know will entitle the author of such to have subscribed. And the County Board wish to note Mr. Henry School over near Concord. I as County Superintendent do know I never thought of such a thing, and I am sure the Board did not. County Board are not interested in such things. We have only to deal with such teacher about no county fund is to be used for the school but that which is set aside for that purpose. The school fund also should be issued to the cripple of the district. We are glad that some of the patrons come to tell us of the fine action for we don't know nothing about it unless we hear it from them. No one has any authority to make resolutions except the County Board and we shall always announce through school such actions when anything of that kind is to be done.

The programs of the rally will be published next week. We have not yet started the subjects of all the speakers.

ROYAL Baking Powder Economy

The manufacturers of **Royal Baking Powder** have always declined to produce a cheap baking powder at the sacrifice of quality.

Royal Baking Powder is made from pure grape cream of tartar, and is the embodiment of all the excellence possible to be attained in the highest class baking powder.

Royal Baking Powder costs only a fair price, and is more economical at its price than any other leavening agent, because of the superlative quality and absolute wholesomeness of the food it makes.

Minutes made in imitation of baking powders, but containing alum, are frequently distributed from door to door, or given away in grocery stores. Such mixtures are dangerous to use as food. In England, France, Germany and some sections of the United States their sale is prohibited by law. Alum is a dangerous mineral acid, and all physicians condemn baking powders containing it.

The label of alum baking powders must show the ingredients.

It seems these good people are having like five hundred peeps—many from adjoining counties as well as other states, and the prices obtained were quite satisfactory although some shrewd buyers picked up some good bargains. The offerings consisted of horses and draft horses, jersey cattle, feeding cattle, mules, jacks, hogs and shetland ponies, and the buyer that could not get something to his liking must have been hard to please. Auctioneer Speaks kept the crowd in good humor and pushed things right along. Mr. Rankin will have another sale in April and those who wish to sell or buy should keep him in mind, as he is constantly in bid dog and is hard to keep up with. He bought nineteen head of mules at Paris Monday, beside other stock—getting ready for the next sale.

The Baptists are holding an Institute in this city this week and a most interesting program is being given. Morning every evening and Sunday morning and evening.

Christian Church Revival Starts Sunday.

Next Sunday will be the start of what promises to be one of the best revivals ever held in this community, Mr. Bell, the singing and leading leader of the Violett-Sala Evangelistic Company arrived last Saturday and filled the pulpit of the Christian church Sunday, to the delight of all. Mr. Sala is also preaching each evening to the members of the church and any others who desire to attend, in preparation for the revival which starts next Sunday. Evangelist Sala will preach at both services next Sunday, at which time the invitation will be extended for any who wish to accept Christ. Evangelist Violett with Mrs. Violett will arrive on Monday and he will preach Monday night and at each service thereafter. Mr. Violett is detained in Portsmouth, O., because of the largeness of the interest in the meeting there. Already more than 60 have accepted Christ in that meeting.

Rev. Eldred is anticipating a fine meeting with a great ingathering.

MARRIAGES.

ANDERSON-DONELL—At the Phoenix Hotel, Lexington, Mr. Albert Anderson, son of Montgomery county, and Miss Margaret Donnell, daughter of Mr. and Mrs. Jas. L. Donnell, of this county, were united in marriage at high Noon yesterday. They will leave for a trip of two weeks through the South, after which they will live in Montgomery county. The groom was formerly in business in this city, but moved to Montgomery several years ago. He is a fine young gentleman. We had the pleasure of being the guest of the parents when in Montgomery three years ago, and there are no better people in the county than they. We congratulate all parties. They were accompanied to Lexington by Mr. and Mrs. Wm. Donnell, Mr. and Mrs. Kelker Donnell, Jesse H. Donnell and Marion Blair.

ROBINSON-YOE. At the home of the bride's parents on N. Maysville street, Mt. Sterling, Wednesday evening, March 1st, 1911, at 8 o'clock, Miss Carrie M. Yoe was married to Dr. W. B. Robinson, of that place, Rev. Leonard Hall officiated. Shelbyville, Ky., brother of the groom, performing the ceremony. The bride is a daughter of M. H. Yoe and wife, of Mt. Sterling, and is a popular and lovable girl, having been graduated from Mt. Sterling High School with the honors of her class of 1909, after which she attended the Mt. Sterling Collegiate Institute. The groom is a young man of splendid personality, having graduated from Centennial Veterinary College about two years ago, when he located in Mt. Sterling, where he has made many warm friends. Immediately after the ceremony the happy couple left for a short bridal trip, after which they will go to Kansas City. Both were formerly of Nicholas county.

DEATHS.

CAMPBELL—At Lexington, Tuesday night, Miss Lummie Campbell, formerly of this city. She was at the home of her sister, Mrs. S. H. Burris. Burial at Lexington to-day.

BLAKE—At his home on Cassiday Creek, Tuesday afternoon, March 7th, John R. Blake, aged about fifty-five years. Mr. Blake was one of the best known citizens of his section, having at all times taken an active interest in public affairs. He has been in declining health for years and it was only by his most determined fight against the disease that his life was prolonged. Burial will take place to-day (Thursday) at 10 o'clock at Locust Grove—he being a member of the Locust Grove Church. Mr. Blake was for years the Cassiday Creek correspondent of the MERCURY and was one of the best we had in our list.

GRAETZER—At his home in this city, Tuesday night, Jacob Graetzer, aged 66 years. Mr. Graetzer had been in failing health for several years but his death was rather sudden, being caused by heart disease.

Jacob Graetzer came to Carlisle more than thirty years ago with his brother Fred, and began business upon a very limited scale, but by industry, frugality, and honest dealing, built up quite a nice fortune, and at the time of his death had the respect of every man, woman and child in the community.

The funeral took place from the Presbyterian church Wednesday afternoon, services being conducted by Rev. Dr. Scudder. The following friends acted as pall bearers: W. J. Kennedy, W. P. Ross, Jos. A. Mayes, Jas. Waugh, T. S. Watson, and E. O. Dorsey.

H. N. Rankin's Big Sale.

On Saturday last the second of the series of Combination Sale conducted by H. N. Rankin was attended by something like five hundred people—many from adjoining counties as well as other states, and the prices obtained were quite satisfactory although some shrewd buyers picked up some good bargains. The offerings consisted of horses and draft horses, jersey cattle, feeding cattle, mules, jacks, hogs and shetland ponies, and the buyer that could not get something to his liking must have been hard to please. Auctioneer Speaks kept the crowd in good humor and pushed things right along. Mr. Rankin will have another sale in April and those who wish to sell or buy should keep him in mind, as he is constantly in bid dog and is hard to keep up with. He bought nineteen head of mules at Paris Monday, beside other stock—getting ready for the next sale.
