44 Bu. to the Acre

In a letter of yield, just like it what John Bloomer of Rockford, Alta., Canada, writes:

"I got 44 bushels to the acre from 160 acres of Wheat, 100 bushels of Oats and 50 bushels of Barley from the land I got FREE from the Government. I have also purchased more land at $11 per acre. I have proved up on my homestead and have stock and implements on my farm. I have been offered $18 per acre for my farm, but would not take $25 per acre. I have made more money than I ever thought possible. I have raised horses, cattle, sheep and hogs, and have done well at mixed farming
