

The Ring and the Man

WITH SOME INCIDENTAL RELATION TO THE WOMAN
By GUY DEVEREAUX

SYNOPSIS
A young man, who has just graduated from college, is invited to go to the city of New York to work for a large firm. He is very nervous and is told to be calm. He is then introduced to a woman who is very beautiful and who is very kind. She tells him that she is very interested in him and that she would like to know him better. He is very attracted to her and they begin to get together. He is then told that he must go to work and that he must be on time. He is very nervous and is told to be calm. He is then introduced to a woman who is very beautiful and who is very kind. She tells him that she is very interested in him and that she would like to know him better. He is very attracted to her and they begin to get together.
