Conducted by the Carlisle Real Estate Company. On SATURDAY, AUGUST 3rd, 1912, at 2 p. m., We will sell at PUBLIC AUCTION 15 or 20 very desirable building lots. These are the best building lots ever offered for sale in Carlisle. They are situated on Heyman nue, an extension of Sycamore Street, the best residence section in Carlisle. Some of the best residences in the city are located opposite these lots.

Carlade is stuared on the Losinville Nathville Palirona, pigly my between Lexington and Massaile, in the famous Blue Grans region of Neutucky, with right ship Passanger Trainer; new and up-to-thre E. Islah plant, the new Charles, there has in the passaile (Passaile Pariser) and pigly Sational), now of the level right Sationals in the state (will see the commondate 600 pagils), large Flora Bill, large Walessale Grocery, City Half (in course of execution, new Court Bounce, new Sationals), new Sationals (in Carla Sationals), large Flora Bill, large Walessale Grocery, City Half (in Course of execution), new Court Bounce, new Sationals (in Carla Sationals), new Court Bounce, new Sationals (in Carla Sationals), new Court Bounce, new Sationals (in Carla Sationals), new Sationals (in

TWO BAGS OF GOLD will be given away on day of Sale. Every person attending this sale will receive a ticket. Don't forget the date

INO BARRO, NF COLLD Will be given away on may or Sale. Every person accoming may ask markets a color of Color by m.

Jan addition to the above leds we will sell-one for fronting 84 feet on Major street and 75 feet on Chemant, on N. E. corner of Contributes square. There is on this lot a direased stone foundation—worth 4700; persone of the color of Contributes and a 65 foot well; waster jajes under ground connecting with rewer. An ance of shade trees; possible concrete walks. This is absolutely the most destrable building site in the city and people who want something really good below they have indeed when this is eithered when this is city and people who want something really good below they have destrable building site in the city and people who want something really good below the want of the city of the present when this is city of the present when this city of the present when this is city of the present when the city of the present when this city of the present when the city of the present which is city of the city of the present when the city of the pres
