For Seventeen Years we have handled Wood Mantles

Ciling and Grate

Fixtures but have failed to make

much noise about it

Yet we seldom fail to make a sale after a customer

shows our stock and hear the price.

It is a mistake to think that a manufacturer of Mantles

will sell them better than a dealer.

A manufacturer will seldom be a dealer.

The retailer who sells them is the one who

will sell them better than a manufacturer.

We are only too glad to sell you our stock with these

mantles, or any heating appliances.
