Washington

According to the annual report of Secretary of Agriculture Wilson, 1913 was the most productive year in the history of the United States. This value of the crop is estimated at \$2,222,000,000.

A complete record of the facts along the lines indicated in the report is being prepared by the department of agriculture. It is expected that the report will be ready in a few days.

THE HOME
SAY
According to the eternal fitness of things, HOME, THE BIG HOUSE was drawn to open the Mayville Market, and it was a glorious opening, a wonderful crowd, wonderful prices, considering the quality of the Tobacco, at an average of 10.53. One crop, 5 Manion, of Mason County, \$19.00.

THE HOME was pronounced the perfection in the WAREHOUSE WORLD.

Mrs. Burley Grover, if you want any Christmas money, have Mr. Burley Grover to bring a load to open the HOME. Prices are good, they are just as good, but they are more satisfactory. If you are superstitious, 12 is unlucky, so don't let it go away from you.
