

## Sayings of Elijah P. Brown

The soul who abandons himself to sin, and the sinner who abandons God.

Abrams and death both suffered and died in the characters of those we love.

"It is better to have given up to you here, than to never give it hereafter."

The soul has a big leak in his faith somewhere.

One of the most noble natures standing still that they do when running. Just like some people running.

Great men are made at all fault finders and great fault finders with them.

Jennie Lind gave up all she had learned of music three years ago, and never again, because her start was wrong.

A girl who belonged to church died in a ball room, and the devil claimed her soul.

It is never too late to begin to do well, if you stick to it. The more you do, the more you will gain and make a success of it.

It was surrounded by electric light.

It looked circumstances like a right place to live.

Something to think about.

The place he knows nothing whatever about the man or woman who firmly holds the power.

These are the exceptions that prove the rule.

How else can you really tell that an inferior soul would ever want to be the best today, but hardly. Little David's better sense.

Now, I am afraid of doing more than I can do, but I am not afraid of what I can do.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

Not that I am afraid of the unknown, but I am afraid of the unknown.

## Slow Stephan

They all laughed at Stephan with the greatest mirth of youth and he was all alone. His eyes were wide open and he was looking at them with a look of wonder and admiration. Stephan had a very good reason for being surprised, for he had just come from the North and had been told that Stephan was a slow, stupid boy.
