Keep Your Floors Clean

There are two ways to keep your floor clean - one by not letting the dirt get in, and the other by sweeping it out. For keeping the dirt out you have some door mats, just the thing to meet, ranging in price from 50 cents up. For sweeping on the dirt the Bissell Carpet Sweeper is the best in the world. They keep the dirt in a pan and sweep the dirt from \$2.75 to \$3.50. They save half work of sweeping, and do better.
