THE BEST IS ALWAYS THE CHEAPEST

It may cost you just a little more to have THE LEXINGTON HERALD visit you each day than it would for some other daily paper, but would you not rather have your own home news in addition to what you get from the other daily and pay that small added cost.

THE LEXINGTON HERALD is the leading daily of the BLUE GRASS. It gives an accurate market report, covers the tobacco market, sales etc., keeps the farmer posted on the condition of crops in his own and adjoining counties, gives full reports of races, horse and all other sporting events and the general news of the world—local and foreign.
