

EPITOME OF A WEEK'S NEWS

Most Important Happenings Told in Brief.

Washington, Feb. 16.—The death of Gen. Wood has been reported to have made this the saddest day in the history of the United States since the death of Gen. Sherman. The general died at Washington of a heart ailment at the age of 84.

Secretary Nathan in his annual report declared that the Sherman law has been the best step in the control of the coal industry since the war.

Representative Underhill introduced a bill in the House to amend the act relating to the office of Washington at the expense of the federal government. The bill was passed by a vote of 229 to 139.

President Taft has appointed Gen. Wood to the rank of major general in the United States Army. The appointment is retroactive to the date of his death.

About 100,000 men are expected to be mobilized in Washington to receive the equipment of the United States Army. The equipment is expected to be received from the United States Army and the United States Navy.

Secretary Nathan in his annual report declared that the Sherman law has been the best step in the control of the coal industry since the war.

FARMERS' WEEK AT LEXINGTON

Great Interest Manifested At State University At Meeting of Agriculturists.

Program of Good Features.

Prizes Awarded by Prof. Christie of Pennsylvania.

The annual meeting of the Farmers' Week at Lexington, Pa., was held at the State University on Feb. 15. The meeting was held in the afternoon and was attended by a large number of agriculturists from all over the State.

The program of the meeting was very interesting and included a number of good features. The first feature was a lecture by Prof. Christie of Pennsylvania on the "Importance of the Soil." The lecture was very interesting and was well received by the audience.

After the lecture, the meeting adjourned for the night. The meeting was a success and was well attended.

CHARGE SWINDLE IN MINE STOCKS

Julian Hawthorne, Novelist, and Ex-Lavatory Cashier, Boston, Are Arrested.

SAY PROMOTERS POCKET CASH

Government Charges Conspiracy and Use of Mails to Defraud Investors.

Ald to Invested Investors.

New York, Feb. 16.—Two men, two of whom have been charged with swindling investors in mine stocks, were arrested today in Boston. The men are Julian Hawthorne, a novelist, and an ex-lavatory cashier.

The men were arrested on charges of conspiracy and the use of the mails to defraud investors. The government charges that the men used the mails to send out prospectuses and to receive money from investors.

The men were arrested by the Boston police. They were taken to the police station and are being held there.

NATIONAL CAPITAL

Our Diplomats and Their Small Pay

What is the salary of our diplomats? It is not very high, but it is not very low either. The salary of a diplomat is fixed by law and is the same for all diplomats.

The salary of a diplomat is fixed by law and is the same for all diplomats. The salary of a diplomat is fixed by law and is the same for all diplomats.

IN THE LAND OF LOTUS-EATERS

It is not a new party, but it is a new party. It is a party of the future and it is a party of the present. It is a party of the future and it is a party of the present.
