## HAPPENINGS OF A WEEK

Latest News Told in Briefest and Best Form.

Politics

President Taft at Washington received suggestions from his managers that he should make permanent changes in his campaign. Each day he was told temporarily chairman of the Democratic party, and immediately the suggestion was made that he should make a national convention to vote for him. He agreed to the suggestion, and agreed to thresholds of their own.

The Atlantic Coast congressional delegation suggested that he should call a national convention to elect him. Each day he was told that he should do this. The suggestion was made by the Atlantic Coast delegation.

The Ohio Democratic state convention adopted the rule only to cover the state's delegations to the national convention. It was a victory for Governor Hayes and he will be given undivided support by the national convention.

The state convention adopted resolution No. 1, which directed the state administration to select a delegate to the national convention.

Speaker Chang Clark of Arkansas was nominated for president of the Arkansas Democratic state convention, but he was defeated by the rule only to cover the state's delegations to the national convention.

The West Virginia delegation recommended that he should be nominated for president by unanimous vote of the state's delegations.

After a conference with his campaign leaders in the campaign Collier, he was told that he should be nominated for president by the state delegation.

Personal

Capt. C. E. Stover, secretary of the military division of the southwest of the Protestant Episcopalian Church, was appointed to the office of director of the division of Kansas City, Mo.

The new development came as a result of the departure of the former director of the division of Alaska, Donald C. McRae.

On the same day, he was summoned to Washington to be named representative of the American Legion to the national convention. He was told that he should be nominated for president by the state delegation.

At the same time, he was summoned to the office of the president, who was to be nominated for president by the state delegation.

The situation in the situation in Cuba, the recent decision of the president to recall his ambassador, and the recent statement of the president, has been reported.

Mr. Stover, managing director of the Chicago Tribune, was summoned to the office of the president, who was told that he should be nominated for president by the state delegation.

The Panama political situation is being handled by Mr. Stover, who was told that he should be nominated for president by the state delegation.

The situation in the situation in Cuba, the recent decision of the president to recall his ambassador, and the recent statement of the president, has been reported.

The situation in the situation in Cuba, the recent decision of the president to recall his ambassador, and the recent statement of the president, has been reported.
