County School News

Educational Division met in the Superintendent's office Monday and elected Miss Clara Watson to teach in district No. 1. Miss Watson is now en route to this place assigned to take school in her own county. Miss Lena Hastings was elected an assistant teacher at Morefield. Susan Jones was elected to teach the colored school at Morefield. Don't forget that the Commission on the part of the Superintendent is to make arrangements for the movement of the school which will be held Thursday at term, August 1st, in the district churches. This will be done by Teachers' Institute. Dr. U. L. Barks of Lexington, will deliver the Commission address. He was formerly a Nicholas county boy, now a grand old man of great reputation for his high christian character. He is Promising Elder of the Raysville District. He cancelled another important engagement, in order that he might be with the largest class of boys and girls ever graduating in Nicholas county.

The Institute will be held in the Court House this year as per the request of a number of the citizens, business men and teachers, as it is more convenient for them. The City Board of Education kindly offered us their beautiful school building for the Institute and Commission exercises, and we thank them just the same as if we had used it.

We are planning for this to be the greatest Institute Nicholas county ever had. We are to have as instructors, viz: Mrs. W. J. Wilson Stewart, who was an all star in her day, and a woman of strong personality. Since then she has proceeded as President of two great Educational Associations, which met here last year, and she is a member of the National Association, which met here last year.

She was lectured in Texas, Alabama, Tennessee, Virginia, and she will come to us filled with the latest news of the world. The other instructor will be Prof. J. H. Wilson, who is now at the Normal School Faculty. He comes to us highly respected as an instructor. He is not a stranger to our people, having taught the last two years he has in this county, and he has in his hands a splendid cultural, Christian, and a good deal of scientific school man. Don't forget the annual school picnic, which was held on Aug. 2nd, included. We have some special exercises for the institute. We have appointed Miss Stella Wasson, secretary, and Miss Elizabeth Rice, organist. We have asked her to arrange for the institute and have it ready.

During institute week we are to have a number of county superintendents and some city superintendents who will be at Louisville that they were going to attend the Nicholas County Institute.

Hon. John B. McFarren, of Louisville, was elected President of the State organization of teachers during the K. E. A. at Louisville. He will address the Nicholas county organization of teachers Thursday morning, August 1st at 10 o'clock. We trust that your rural teacher will be present and the City Board also. Mr. McFarren is a grand man, and is spending his time, talents and money to better conditions of elementary education in Kentucky. He believes that money must mean time and money has been spent in higher education, but little attention given to the education work. You will witness a treat if you do not hear him. Your County Superintendent will be very busy for a week or two days working on institute programs, uniform daily programs for working on institute for the trustees' organization, and for the members of the State Superintendent which was set up by the State. We sent our teachers' salary schedule to the State Board of Education, which was accepted. The salary schedule is as follows: \$20, \$25, \$30, \$35, \$40, \$45, \$50, \$55, \$60, \$65, \$70, \$75, \$80, \$85, \$90, \$95, \$100, \$105, \$110, \$115, \$120, \$125, \$130, \$135, \$140, \$145, \$150, \$155, \$160, \$165, \$170, \$175, \$180, \$185, \$190, \$195, \$200, \$205, \$210, \$215, \$220, \$225, \$230, \$235, \$240, \$245, \$250, \$255, \$260, \$265, \$270, \$275, \$280, \$285, \$290, \$295, \$300, \$305, \$310, \$315, \$320, \$325, \$330, \$335, \$340, \$345, \$350, \$355, \$360, \$365, \$370, \$375, \$380, \$385, \$390, \$395, \$400, \$405, \$410, \$415, \$420, \$425, \$430, \$435, \$440, \$445, \$450, \$455, \$460, \$465, \$470, \$475, \$480, \$485, \$490, \$495, \$500, \$505, \$510, \$515, \$520, \$525, \$530, \$535, \$540, \$545, \$550, \$555, \$560, \$565, \$570, \$575, \$580, \$585, \$590, \$595, \$600, \$605, \$610, \$615, \$620, \$625, \$630, \$635, \$640, \$645, \$650, \$655, \$660, \$665, \$670, \$675, \$680, \$685, \$690, \$695, \$700, \$705, \$710, \$715, \$720, \$725, \$730, \$735, \$740, \$745, \$750, \$755, \$760, \$765, \$770, \$775, \$780, \$785, \$790, \$795, \$800, \$805, \$810, \$815, \$820, \$825, \$830, \$835, \$840, \$845, \$850, \$855, \$860, \$865, \$870, \$875, \$880, \$885, \$890, \$895, \$900, \$905, \$910, \$915, \$920, \$925, \$930, \$935, \$940, \$945, \$950, \$955, \$960, \$965, \$970, \$975, \$980, \$985, \$990, \$995, \$1000.

The Boys that Wore the Gray

Grim and ghostly are all but the hallowed memories of the stirring scenes from 61 to 65. Tragedies unspoken were enacted when countless limbs in life's golden chain were broken and the battle field paid its gruesome toll to the red demon of war.

But no cause, however just, has ever won or lost without the sacrifice of some of its ablest defenders, and no martial strain ever sapped the veins of victory without sealing the wounds of the dead and dying. The splendid manhood of Grant and lesser tombs perpetuating the memories of those who were the Blue tail of a republic's destiny, and the Southland, emblematic of a people who have given to posterity her greatest sons and fairest daughters.

History's pages are filled with sad, desperate conflict, for history takes no thought of the sweet friends. She notes only the wrong and sees but the destructive horns of war.

In decorated halls and when the sun, she envisions her use to the towering marble that she holds in her hand. The husband and the man whose name she holds in her hand, there is with her history, who were the Blue tail of a republic's destiny, and the Southland, emblematic of a people who have given to posterity her greatest sons and fairest daughters.

Let the Blue of the North stand

The Question?

The matter that is bothering us most just now is what to do about it! The Postoffice Commission has issued orders to the Post Masters to refuse to carry our papers unless the subscription is paid in advance.

It means a dollar or two to you. It means a thousand dollars to us. You have the assurance that we can not get paid to undertake to make you pay, so its up to you to save yourself a dollar or two and bankrupt us, and that is all there is to it.

Will you be honest with us, or will you be content to know that you have received the old MERCURY which has published columns about your birth, your marriage and your general prosperity, and does not deserve decent treatment?

Of course we have no objection to Republicans holding the nomination of 1912, but we feel a sympathy for those who do not. We look upon a man who holds an office as being entitled to the respect of his fellow citizens. Chicago has some more democratic politicians than any other city in the world. Let everybody come to the dinner on the grounds.
