PHYSICIAN SAID ECZEMA CAME FROM TEETHING

When my son was about eight months old, he was taken with eczema. The doctor said it came from teething. I was told that the eczema was caused by the irritation of the skin during the teething process. This is a common belief, but it is not always true. Eczema can be caused by a variety of factors, including allergies, infections, and environmental irritants.

DOULTRY NOTES

Never wash eggs. It is a common mistake to wash eggs before using them. Washing eggs can remove the natural protective coating on the shell, making them more susceptible to bacterial infection. It is best to use fresh, clean eggs and to cook them thoroughly.

The Three Spears

By MAUD J. PERKINS

In the old days, when the world was a simpler place, there were three spears that were used to defend the land. These spears were the spear of truth, the spear of justice, and the spear of courage. They were the weapons of the brave, and they were the weapons of the good.
