ROUND ABOUT THE WORLD

Complete Review of Happenings of Greatest Interest From All Parts of the Globe—Latest Home and Foreign Items.

The Titanic

Guglielmo Marconi, chairman of the Marconi company, Limited, told the senate committee in Washington that he authorized the wireless operators of the Californian and Titanic to sell the stories of the great catastrophe for publication, but had not consented in any way to suppress general information of the wreck.

• • •

Captain Williams and passengers of the steamer Bremen, which arrived at New York, reported that last Saturday afternoon, while in latitude 42 north, longitude 49.21 west, in the vicinity of where the Titanic foundered, his vessel plowed through fields of bodies and the victims of the disaster.

• • •

Failure to provide lookouts on the Titanic was one contributing cause of that ship's loss, and, with it, the loss of 1,500 lives. Two witnesses before the senate investigating committee at Washington agreed on this. They were Frederick Fleet, a lookout on the Titanic, and John Arthur Hogg Peacheu, Canadian manufacturer and yachtsman, who was among the rescued passengers.

• • •

Washington

The confidential correspondence which passed between President Roosevelt, Attorney General Bonaparte and Commissioner Herbert Knox Smith of the bureau of corporations in 1907, about a government antitrust suit against the International Harvester company was sent to the senate in response to a request for information from the files of the department of justice.

• • •

Partial home rule for Alaska, with authority to grant to women the right to vote, was approved by the senate at Washington when it passed the bill for a local Alaskan government.

• • •

Banks holding special deposits of the United States must pay the federal government two per cent. instead of one per cent. in future. A Platt Amendment, enacted secretary of the treasury, has decided to double the rate of interest in accordance with the authority reposed in the treasury department by congress.

• • •

Domestic

The Socialist administration of Milwaukee was sustained by the voters of that city in the municipal election, when Emil Seidel was elected mayor. He will be able to show how the city can be handled like a business.

• • •

Word has been received here from Mr. N. Worthway of the publication department of Lexington, Ky., that the capital of Louisiana, that majority of those who have been in the habit of visiting Baton Rouge, Hotel Heidel's house is in fact the best to be found in Eastern Louisiana.

• • •

Justification for his failure to prosecute the Harriman trust during his presidency is attributed by Colonel Roosevelt in a statement in which he declares that he was unwilling to follow the suggestion of Commissioner of Corporations Herbert Knox Smith that he prosecute for ordered until investigation decided by the interstate commerce commission.

• • •

Representatives of soft coal mine owners in the western Pennsylvania and Ohio districts and of the United Mine Workers of those states, signed their agreement in the scale adjustment ratified by the central interstate joint conference at Columbus, a scale for the states of Pennsylvania, Ohio, Indiana, Illinois, Kentucky and West Virginia.

• • •

Twenty-nine persons were injured and one thousand were terrified when a cyclone struck a circus parade in Hagerstown, Md., on the morning of May 4. The entire train, the stables, cages and wagons of the Sells-Floto circus and Buffalo Bill's Wild West show, were destroyed.

• • •

Fred Thomas H. Reed, of the state secretary's office at Frankfort, was murdered when he was shot through the heart with a revolver in the hands of Thomas Hall, a discharged employee of the state house. Hall fled after the shooting, but was captured by a posse of citizens.

• • •

Mayor Wilson of Louisville has declared a state of insurrection exists in that city and has called out the militia to preserve order. Two men were killed and many injured in the rioting which followed the attempt of the Louisville Railway company to operate cars with non-union men.

• • •

Judge Ben Lindsey has prepared a bill, which he will have introduced before the Denver council, which provides for the prohibition of children under seventeen unattended at moving picture shows, except between the hours of 2 and 6 p. m.

• • •

The Rhode Island state Republican convention adopted resolutions instructing the delegates to Chicago to support President Taft's candidacy for the nomination "until released."

• • •

The new tuberculosis preventorium at Farmington, W. Va., was formally dedicated by Governor Woodrow Wilson. It is for tubercular children of the members of whose families are afflicted with tuberculosis.

• • •

President Taft made his answer at Springfield, Mass., to the criticisms that Col. Theodore Roosevelt has made of him and his administration. He declared that Mr. Roosevelt had lost even him a warm friend and said he had "miscreants" and "distorted" the facts regarding Mr. Taft's conduct and actions in the White House.

• • •

An insanity commission to examine Clarence V. T. Rickson, under sentence of death for the murder of Mrs. Border of Avis Linnell, will be asked of the governor of Pennsylvania by a state board made by its council.

• • •

Forty-seven passengers all but one of them citizens of the United States, who arrived at Galveston, Tex., from Vera Cruz, Mexico, on the steamer Ward line, left of alleged torture and assassination of Americans in the republic. All the refugees had to leave behind their furniture and everything they possessed, except enough money for passage and the clothes on their backs.

• • •

Ten thousand coal miners in eastern Ohio struck on May 1, which after being idle since April 1. Miners at Bellaire, Martin's Ferry and Bridgeport, where rules permitting pumpers and repairmen to work pending the outcome of scale conference were all.

• • •
