a Little Quiet Fun

Ask some pompous person if Grape-Nuts Food helps build the brain.

Chances are you get a withering sneer and a hiss
of denunciation. denunciation.

Then sweetly play with the learned toad.

Every day's use of brain wears away a listle.

Suppose your listed of food does not contain Phosphate of Potash.

How are you going to rebuild today the won-out parts of yearthy.

And if you don't, with shoulds' nervous protestions and brain-lag results

Remember, Mind does not work well on a brain that is even partly beaken down
from lack of nonelishment.

It is true that other food besides Grape-Nats contains varying quantities of Brain food.

Plain wheat and baster do. Be in Grane-Nats there is a certain.

It is true that other food besides Grape-Nan acentins varying quarties of Bain food. Plain wheat and badry do. But in Grape-Nan there is a centainty. And if the elements demanded by Nature, are extent, the life forces have the needed material to bailed from.

A beathy brain is important, if one would "do things" in this world.

A beathy brain is important, if one would "do things" in this world.

An ansa who somer at "Mind" meers at the best and least understood part of himselfi. That part which some iddes below inflats us to the Indian.

Mad also for a healthy brain upon which to set, and Nature has defined a way to make healthy hum and errors it day by day as it in used up from work of the previous day. Natures way to rebuild in by the use of food which supplies the things required.
