

Young Women

Read what Carol did for Miss Myra Egan of Fairbank, Minn. "I had to tell you how much good Cardui has done for me. As a young girl, I always had to suffer so much with all kinds of pain. Sometimes I was so weak that I could hardly stand on my feet. I got a bottle of Cardui, and the drug store, so soon as I had taken a few doses, I began to feel better. Today, I feel as well as anyone can."

TAKE THE CARDUI Women's Tonic

Are you a woman? Then you are subject to a large number of troubles and irregularities, peculiar to women, which, in time, often lead to more serious trouble. A tonic is needed to help you over the hard places, to relieve weakness, headache, and other unnecessary pains, the signs of weak nerves and over-work.

For a tonic, take Cardui, the woman's tonic. You will never regret it, for it will certainly help you. Ask your druggist about it. He knows. He sells it.
