Foreign News.

Washington

The Senate refused to make public the correspondence between the two  
parties. The president said it would  
not be made public.

House of Representatives, minority  
members, gave notice in the Senate  
that they would not accept any  
action on an understanding of the results  
of the election of the party's leader.

The Republican majority in  
the Senate decided to report adversely  
on the bill to prohibit interstate  
commerce from receiving any  
subsidy.

The House of Representatives  
voted to accept any bill that  
would not be made public.

Progressives won a victory in  
the Senate by defeating a bill to  
allow the Senate to adjourn without  
the consent of the majority.

Progressives, in a compromise  
agreement, agreed to vote for a  
bill to limit the amount of money  
the Senate could spend on its  
expenses.

The House of Representatives  
voted to accept any bill that  
would not be made public.
