ARDU Woman's Tonic

Don't wait, until you are taken down sick, before tak-care of yourself. The small aches and pains, and other spinons of womanly weakness and disease, always mean se to follow, unless given quick treatment. You would always keep Cardul handy, if you knew

that quick and permanent relief it gives, where weakness and disease of the womanly system makes life seem hard bear. Cardul has helped over a million women. Try it
