Another Big Fire

Loss About \$20,000

With Insurance About Half

Last Monday evening about 8:30 o'clock the alarm of fire was again sounded from Little, city, and our ever responsive citizens

The fire originated from the fire information we could gather in the rear of Dr. Laver's grocery which was an old frame building and did not take insurance

Fire Companies and their members are usual on hand but

As usual the ever willing help of the firemen was called upon before they could get ready

The fire that destroyed our tobacco property and stock
