THEN SPEND YOUR MONEY WHERE YOU PLEASE

A man whom you trade with only once in your life, or say a few times at most, doesn't need to worry about his promise or his facts. Chiefly he wants your money.

But the man who lives in your town, meets you nearly every day and depends on your good will for his daily bread, has to treat you RIGHT

When he says it's "oak." it must be "oak." When he says "prompt delivery' and "perfect satisfac-tion," both must be PROMPT and PERFECT. These facts are self evident.

Therefore when you get ready to spend that next dollar for furniture, remember here is a store that has been here a long time and expects to stay. Examine our stock and prices. Tell us what you want. Give us a chance to serve you and then send that dollar where it will buy the most

ATHENA UNDERWEAR

is made in firmly knitted elastic fabrics that do away with wrinkles under the corset—a great cause of discomfort in the ordinary underwear.

Athena underwear fits the figure with the smoothness of a silk stocking. It insures comfort without bulk—daintiness with wearability.

Here are some of its special merits: A patented seat that gives extra room where room is most needed. A special stay that prevent the garment from stretching over the shoulder. An elastic out that holds the sterve in place and keeps it from slipping up-on the arm. Trimming put on in an improved
