

# "Dincher" Paint

It shows a paint which holds to the wall like a second skin. No need to brush. The paint is applied with a brush. White and pink, which give the wall the look of a wall, and the color of the paint is the same as the color of the paint in the interior of the house.

# Phenolic White Lead and Pure Linseed Oil

make the paint that spreads into a solid film. It becomes a part of the wall and does not come off. It is the best of the kind.

# COMMENT

A digest from Louisville tells of the indignation of Louisville and Kentucky suffragists at the convention of the Kentucky Educational Association.

"If we demand women teachers the demand of equal rights they will demand salaries equal to their male instructors."
