SICKNESS

No one would doubt that sickness is caused by germs

A fly-walking on your neck is a trail of typhoid fever in your family.

Germs are lying in decaying food and flies dis-

tribute them.

A LEONARD REFRIGERATOR

Will preserve food and save its waste in the hottest summer days.

It will stop your percentage of flies. It will protect your family's health.

Mr. Leonard is carried in stock ranging in price from \$75.00 to \$28.00.
