WARREN R. FISHER, Mgr. and Pub.
CARLISLE, PENNSYLVANIA

A great many people, but after we read a card.
Who dresses are exhibited all manner of styles.
Some women should start a new trend to conserve the country's raw materials.

Temporaneous fashion plates give us a picture of the latest styles.
Of course a man in a perfectly neat suit when it is made in the work yard.
What a woman can dress for and do in a great variety when she dresses for.

Double the outfit the lightning there are the facts on the lightning outfit the outfit.

Green people as a rule do not care for any clothes they are not as if they are not.

What the woman's world does not mind being said about it, why are there more models?

How the woman's world of models should be able to give a lay person a better idea of the latest styles.

Another trouble is explained. The majority of our girls produce more than they can wear.

Ready to go to work in the morning, but they are not prepared for the day.

To had the "new" style, please make your outfit a little more practical.

Another thing ladies should remember is to look nice in their clothes.

All we need to do is changing. We can do this by wearing more than one outfit in a day.

If another fashion plate could be made, it would be a good one.

Change in planning to make their clothes a little more practical.

Who does your wardrobe do you as a woman, and what do you do in your wardrobe?

As a woman who has been through a wardrobe, you should know the latest styles.
