HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Condition, Mrs. Bullock Gives Up in Despair. Husband Came to Rescue.

Clinton, Ill., in the following letter from this place, Mrs. Lottie Bullock writes as follows: "I suffered for four years, with a weakness, and nervousness, this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

"The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

"At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.
