WASHINGTON GOSSIP An Unending Procession of Many Strange Gifts

The distance is too great for the giver to see the recipient—so the gift is sent by mail. It is not surprising, therefore, that the gifts which are presented to the president of the United States are of many and varied kinds.

It has been reported that the president has received a number of gifts from various sources. Some of these gifts are of a very unusual nature.

One of the most interesting gifts received by the president was a pair of shoes. These shoes were made of a very unusual material.
