

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Theodor's Black-Draught," writes Mrs. William W. of Clinton Mills, Ky. "I had a very bad cold, and my head was so painful for days that I could not get any sleep. I finally bought Black-Draught and used it as directed. When I had finished the bottle, my head was so good that I could get any sleep I wanted. I had never before used such a medicine. I shall never be without it."

THE FORD'S BLACK-DRAUGHT

"It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for coughs and colds. For sore throats. Price 25 cents. It is sold in every drug store. It is a safe investment."

It is a safe investment. It is a safe investment. It is a safe investment.

Studebaker

"When I invest in a wagon I buy a Studebaker, then it's a safe investment!"

Of course it is! Studebaker wagons are built on honor, with fifty years of wagon building experience—and with every wagon comes a Studebaker guarantee.

You can't afford to have a dealer sell you some other wagon represented to be just as good.

If you want a wagon that will last, run easily and stand up to work, there is only one wagon to buy—Studebaker.

It'll trade you extra years of service for a few dollars more in the price.

Studebaker wagons are made to fit every regular use of business or pleasure, in city, town or country.

You have promised some one you would give them a photograph of yourself.

Do it now!

Hang In Stirrup And Child Meets Awful Death

A man of letters from his country writes in his daily paper that he had read in the St. Louis Globe-Democrat an account of a child who had been killed by a horse while hanging in a stirrup.

The child was hanging in a stirrup and was killed by a horse.
