NEXT SALE THURSDAY, DECEMBER 4th 1913

Our first sale of 21,600 pounds, we think very satisfactory. While colory tobaccos are not quite as high as last season, we think the low grades—tips, green and red—are considerably higher than last year, and, with no real fine tobacco on sale, we averaged \$13.25, which should be satisfactory to the farmer. Last year's average for the first sale was \$11.09.

We want you to come see us; bring your tobacco and we will guarantee a square deal and full market value. READY TO RECEIVE TOBACCO AT ANY TIME. H. N. RANKIN, Floor Manager W. D. MCINTIRE, Manager
