

Mrs. Nellie P. Talbot Announces The Opening Of Her Department Of Correct, High Class Millinery, September 18-19.

HAVING sold my Dry Good Goods Store, I will now devote my entire time to my Millinery Department. Carrying a much larger and more complete line of Hats. You will find it interesting to visit our Millinery Parlor this Fall as we are going in for a large business and small profit. We have added a line of HANDSOME PATTERN HATS not often carried in a town of this size, and expect to sell them as cheap as others sell home made stuff. Hope to see all my old customers and many new ones this season.
