

**STOLL'S NO CARB AUTO OIL**

The best lubrication without carbon.

Unsurpassed efficiency. It keeps the engine cool and clean, and it does not burn. It does not form a carbon deposit on the valves, pistons, or rings. It does not gum up the engine. It does not foul the spark plugs. It does not make the engine run rough. It does not make the engine run hot. It does not make the engine run noisy. It does not make the engine run slow. It does not make the engine run fast. It does not make the engine run anything but smooth and efficient.

GRAL. C. STOLL CO. "The Oil That Keeps the Engine Clean"

**Choose Your Paint as Carefully as Your Painter**

The material is important to the workman as well as to the property owner. The best painter can't make poor paint paint. So care of your paint. See that you get the best. See that you get the best. See that you get the best.

**Phenix White Lead and Pure Lined Oil**

We supply you with the best materials, as well as our painting requests, and shall be glad to help you select a color scheme for your home.
