Toy Rowitzer.

A rowitzer which has been designed for the throwing women to spread the deadly bug is probably the smallest piece of artillery ever built. It is no bigger than the hammer to end of the barrel of a modern rifle, and is fired from a steel bulldog clip. It is also the size of a pipe bowl. Use of gas is made in the latest projectile of a rotating gas maker to beautify the ash, another of pearl mountings.

During all these years I have used it and recommended it many times and it has never disappointed anyone." For sale by All Dealers. Adv

The Case Of L. L. Cantelou

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy. He says: "After trying a doctor for several months and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by All Dealers. Adv.
