TOBACCO SALES

6,279,150 pounds is the record of the Carlisle tobacco market up to date.

Although the season is nearing its close, it is probable that sales will be held for some time at all of the local houses, and it is possible that the total sales will reach the seven million mark.

54,850 pounds have been sold at good averages at the Burley since last Thursday.

180,125 pounds have been sold at the Farmers' in the past week.

The Peoples' sold this week, 163,535.

The following is the amount sold by the various houses to date:

Peoples'	2,880,0801
Farmers'	1,575,920
Burley	1,823,150
Total	6,279,150

The Carlisle Real Estate Co. report the following recent sales: H. C. Norton's elegant city residence property to Aris Wiggins; James P. Tune' modern cottage residence to H. C. Norton; Mrs. Minnie Clark's house and lot on College Hill, to Mrs. Fannie Kincart. J. H. Caywood's magnificent farm on the Maysville pike to W. G. Lever. Dr. J. Banta Glenn's 70 acre farm near Myers, Ky., to George Wallace, of Bourbon county; George Wallace, cottage in East End to Dr. J. Banta Glenn; Through their local agent, C. U. Bramblett, the Massachusetts Mutual Life Insurance Company of Springfield, Mass., paid to the estate of Dr. LeRoy McIntire a policy of $1000.00 in full settlement of his $1000.00 policy, the $50.00 being earned dividends during the short time he had carried this policy.

The Carlisle Auto Company was represented in a meeting of Ford Automobile agents for the Blue Grass section at Lexington, Ky., on Saturday by C. U. Bramblett and C. C. Nixon.

Democratic Committeemen Take Notice

The Nicholas County Democratic Committee is requested to meet at the Court House in Carlisle, Ky., February 14, at 2 o'clock for the purpose of recommending to Senator James the name of a man to fill the vacancy of Income Tax Deputy or Clerk created by the resignation of Everett Darnall.

It is important that all members of this Committee be present.

A. B. TILTON, Chairman.
FORREST DALZELL, Secretary.

Strange that no member of the General Assembly suggested a small pox "probe."

Circuit Court

Charles Ross, Will Gaunce, May Taylor, Stella Wasson and Sallie Armstrong, who were charged with disturbing religious worship, were tried before a jury on last Thursday, and the Court gave peremptory instructions to find for the defendants.

The trial of Elizabeth Booker, on a charge of murder, resulted in a hung jury. The jury stood ten for acquittal and two for conviction of voluntary manslaughter, but the defendant was granted a new trial. The defendant was accused of shooting and killing George Price. Her defense was that she was assaulted by a negro, instead Price for a burglar and fired the shot that killed him.

Court adjourned on Thursday afternoon until Tuesday morning.

On Tuesday the case of W. J. Kenton vs. Matilda Shannon, being a suit on a note executed to E. J. Secrest, which was transferred to W. J. Kenton, was settled into. The case was decided Wednesday in favor of the plaintiffs.

City School Notes

We were glad to have so many visitors at the program given last Friday by the Petrician Literary Society. You are not only invited but urged to be present at the next regular meeting of the Oliver Wendall Holmes society, Friday afternoon, Feb. 20. The program will be published in next week's issue.

We still have too much tardiness. We call upon the parents to see that their children are here on time.

Mr. Julian T. Adair, of Millersburg, this county, one of the most widely known poultry men in this section of the country, left that city Sunday on a short trip through Southern Kentucky in the interest of the Department of Agriculture, and during his absence will deliver six lect ures on poultry in various cities Mr. Adair was enraged for the work by Commissioner of Agriculture Newman —Bourbon News.

Our Climate And Its Products

People who have been raised in this climate and emigrate to other states have to get used to their climate before they have good by health and many have to return because they do not get acclimated. We have a peculiar limestone soil, there is no other known soil like it, it is the mother of "blue grass" and no other country can produce blue grass like Central Kentucky, and you farmers who feed and grass stock know that the corn, wheat and oats grown on this blue grass land is better than any you get from other states. The meal and flour made from your corn and wheat is much better than like products from any other State, and is much healthier for the reason the same air you breathe floats over your fields of grain. The sun brings forth its vapors from the earth with the morning dew and nature has so designated that it is best for us that we eat what is produced in the community in which we live; hence the Chinese live on rice, some other people on rye bread. Wheat bread is the most important food for our people, hence it is important to us that we use the flour made from wheat grown on our own soil.

We make this flour and the brand is White Rose. It will make more and better bread than any other flour. Why not use it, which would be to our mutual benefit

The Story Of Johnnie Slow-Boy
Smith Continued

"Land is too high," you say, "Johnnie"; You are wrong about that Johnnie, land is only getting started upward. Let me show you why Nicholas county land is high, Johnnie; Let's take the tobacco shipping business for the month of January 1914, from the L. & N. depot at Carlisle. Now listen, Smith, to the actual figures I am giving you.

In January the L. & N. Railroad shipped from Carlisle three thousand two hundred and sixty-four hogsheads of tobacco; that's 210 car loads, or about three million seven hundred and seventy-two thousand pounds, an average price of twelve cents; this amounts to $453,000; If the average were fifteen cents which it may have been) it would amount to $566,250.00— some money, isn't it Smith? Now, if Nicholas county farmers can ship between four and five hundred thousand dollars worth of tobacco in one month why should'nt Nicholas county land be high? Is it high at the price now obtaining for farm product? Hogs are high, cattle are high, corn is high, everything is high, necessarily the land is high in propotion.

What would you say, Smith if we could sell you 200 acres of pretty good land at $20 an acre; We have such a selling contract. Also 142 acres at same price This land is described to us as laying well, mostly in grass, pretty fair improvements, abundance of good tobacco land. It's in another county and we have never seen the land, but it must be awfully cheap. Also we have some very fine bargains in Ohio farms. Would like to look over some of these fine farm bargains with some of our customers, surely there is good money in them.

Smith, we have the best farm in Nicholas county for sale; pret ty strong statement, is'nt it, but it is true. Now you study up the very best farms in this county and that farm is the one we have for sale. Come in and talk with me about it. Absolutely the very best farm in Nicholas county.

Also that magnificent 210 acre farm formerly belonging to Mr K. D. Burroughs, 150 acres fine tobacco land, splendid bluegrass, extra good improvements, a farm on which a man can make all the money he has any use for and this fine farm for only $100 an acre. Can you beat it?

For a small farm Smith, and a good one look at this: 77 acres, good house, good barn, 30 or 40 acres tobacco land, 8 or 10 acres fine bottom land, and only $35 an acre. Be quick, Smith, we have to hurry on this one. But for a real nice little farm Smith, that won't cost you much and still be a good one, look at this; 75 acres, good land, new barn, comfortable house, one of the prettiest homes to be found anywhere, for just a minute you can have this pretty and good place for forty-six hundred dollars. Could have been sold a dozen times at this price. On for just a day or two.

The very finest resident property in Carlisle for sale with us only. If you want a magnificent home, Smith, this is your chance. Don't wait.

Smith, we have a most desirable office for rent, the office formerly used by us next door to the postoffice. Best ground floor offices in town except these we are now using. See us right away.

Don't hold your money Smith; buy a farm; "The land's the thing" old fellow; Nothing in this world beats a farm now. "Back To The Land" is the cry all over the world. We can sell you any kind of a farm you want, a cheap one or a higher priced one, all cheap considering what they produce. Clarence Lebus says that all that the land in this Blue ley tol acco belt will bring $300 an acre within a few years. He is right too. Buy while it's cheap.

We have a number of big deals on that will surprise somebody when they are closed up. May be one of them is a deal that you have thinking of. If you have anything on your mind get it off. See us today.

"Buy it because it's a better car." That's what Henry Ford says about the Ford automobile. If you think the Ford is not as good a car as some, don't you buy the Ford, buy the other one. But you will if like everybody else that has tried it—you'll be sorry you didn't buy a Ford. Nothing like the Ford on wheels —it's "The Universal Car" right; Nothing near as good for the money or near the money. We have them now; no telling whether we can get them for love or money in a short time.

For a high class paved road the Overland gives you more for the money than any other car. 114 inch wheel base, 35 horse power, five big cylinder motors, Gray & Davis Electric Starter, finest upholstery, and all for $1075.00. You are asked $1740.00 and $1 150.00 for cars not so good. We can sell the Overland without the Gray & Davis starter for $950.00. Come in and look them over; 'twill be a pleasure to show you.

Beware of Ointments for Catarrh That Contain Mercury

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally and made in the mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, Price 75c per bottle. Take Hall's Family Pills for constipation.

Mathias & Rogers had a force of men at work Tuesday and Wednesday grubbing a small thicket on the night of the impounding reservoir for the water works and otherwise cleaning up for the work of scraping. The ditch for the concrete core of the dam will probably be begun this week. Mathias & Rogers have purchased a car load of scrapers, and have contracted with Mr F. L. Snapp, of Saltzell, to crush the rock needed in the construction of the dam. The work will be pushed as rapidly as possible. Bills of lading for some of the water main pipes have already reached here.

A news dispatch from Pineville says:

The Continental Hotel was opened with a dinner given by R. L. Parks, manager, at which covers were laid for two hundred and fifty. The natural beauty of the building was enhanced by dozens of cut flowers and ferns; the dinner itself, prepared by Claude McDonald, a chef well-known in Southern hotels, was a culinary masterpiece, and the opening was in every way a success. The Pineville Orchestra was stationed in the parlor on the lower floor, and furnished music for those who desired to dance, of whom there were many.—Bourbon News.

Couldn't Do Two Things at Once.

Carol had often heard his mother say, "I can't possibly do two things at the same time," and was evidently impressed by the phrase. One evening her father came in and said: "Carol, please bring me the evening paper and tell your mother that I am here." "But, daddy," replied the young lady, "I can't possibly do two things at both times."

Commissioner's Sale

Nicholas Circuit Court,
W. P. Thomas &c. ... Plaintiffs.
vs.
George W. Brasker &c. ... Defendants

By virtue of a Judgment and Order of Sale of the Nicholas Circuit Court, rendered at the February Term thereof, 1914, in the above styled cause, I shall proceed to offer for sale on the premises to the highest and best bidder, at PUBLIC AUCTION, on Saturday, the 28th day of February, 1914, at 10 o'clock a. m., upon a credit of SIX and TWELVE MONTHS, the following described property to-wit:

A certain tract or parcel of land lying in Nicholas County, Ky., on the waters of Sugar Creek and bounded and abutted as follows:

THE BIG SHOW

Everything is in readiness for the Big Minstrel Friday night. The following is a sketch of the entertainment:

The opening chorus will make as pretty a scene as ever seen in the city. The performers of the evening grouped around a large room with the Interlocutor, Dr. G. B. Spencer, in center and bones and tambourines at extreme ends. To the right and left of the Interlocutor will be the circle men and ballad singers, with a chorus of thirty-five of the best male voices in the rear. The City Orchestra, of seven members, with Miss Nell as Director, in the extreme rear.

The opening chorus will be in keeping with the genuine old fashioned Georgia Negro Minstrels. In the first part S. W. Keller will sing the popular song, "Some Body Else Is Gettin' It." Next W. E. Piper will sing a beautiful Ballad entitled "Last Night Was The End of The World." Next "I Have a Hero To," which is a wonder, sung by Dr. Harry Mathers, of Paris. Harold Parker will sing the very popular Ballad "Roses Like Dreams Fade Away." Next Richard Donnell will sing "But Am I Be Rag Dat Sets Me Crazy?" one of the funniest songs of the evening. At this juncture of th evenings performance, Mr. I. D. Ross will sing "Why Don't The The Land Play Dixie?" which is the finale song in the first part.

Part two will be composed of specialties, which are especially strong, considering the talent being local. The first number being a vocal solo, selected, by Miss Elizabeth Andrews, a very talented and popular vocalist from Millersburg. The next number will be a stump speech by S. W. Keller. Next on the program will be a violin solo by Miss Nell, of Millersburg, a very talented violin soloist and who needs no introduction to the music loving people in Carlisle. Spencer & Lawrence will follow with a Monolistic sketch entitled Dinnah and Rastus, and also as Dancing Arists. Next will be Dr. Harry E. Mathers with his very popular cornet solo. Last but not least, Richardson & Hutchings will entertain the audience a few minutes in comedy entitled "The Fast Mail Train," which will be the closing of the Big Minstrel Show.

Tickets are selling very fast and it is expected that the City Hall will be crowded to its full capacity. Prices of admission, 35 and 50 cents. The audience is requested to come early as the performance will begin promptly on time. Encourage the Fire Department by your attendance.

This Stunt Is Certainly Rank.

Unless enjoined "Dick" Donnell is going to sing at the Big Show, "The Rose Has Fallen." Efforts have been made by humanitarian views to induce him to recall his awful threat.

DR. HARRY E. MATHERS

He claims that the constitutional right to the pursuit of happiness infers the right to sing if singing brings happiness. He thinks that singing will help bring misery to others, his answer was, that having announced his purpose, other free-born American citizens could exercise the glorious privilelge of staying away—or of leaving the Hall if they choose to do so. The title of his song is "Killin The Goose That Laid The Golden Egg."

County School News

There were 37 applicants for County Diplomas Examination the last Friday and Saturday in January. The grades have not been averaged up yet and we shall have to wait until next week to tell the names of those who pass. They were a bright looking set of girls and boys and did credit to the schools from which they came whether they pass or not, for it has been only three years that our rural schools have been strictly graded according to the State Course of Study and cross grading eliminated. And we are sure that those of this class who fail, if any do, that they will go on until they do pass the examination.

Most of the examination was very easy, but some of it was very hard for 8th grade pupils, especially spelling and grammar.

All of the rural schools have closed except Moorefield and Myers and the two colored schools.

The teachers' record books, sixth month's reports and annual reports should be in my office within five days after the close of school. Teachers, have your trustee sign all reports. Use the little report books in the children to keep at the close of the term after the examination grades have been filled out. If children fail to bring these little report books home parents are requested to notify us as the County Board is very anxious to keep the schools properly graded and each teacher is furnished with these books to fill out every month and send home to the parents to sign. This is the only systematic method by which parents can know how the children are doing at school since the report that is properly kept by the teacher will be the department of the school as well as the grades.

The County Board will meet the first of next week to examine the Record Books of the teachers and to sign the sixth months' and Annual Reports and if the teachers do not get their reports in by that time they will have to wait for their sixth month's pay until after another Board meeting. The sixth month's salary will be ready as soon as the County Board examines the reports. So please see that all reports are in by next Monday.

We want to congratulate the trustees were very much interested and organized, agreeing to attend the R. E. A. They also agreed to see that their teachers attend as far as possible. The County Board agreed, on motion of Mr. Boyd seconded by Mr. Owens, to attend the K. E. A. Miss Yancey certainly has a fine lot of trustees and county board members.

Tuesday we met with City Superintendent J. J. Jolly, County Superintendent Wm. Hoffman and a number of trustees and teachers in the Augusta school building and organized them for K. E. A. Bracken county has one women trustee, Mrs. Grainger, who is a very progressive school woman. Superintendents Hoffman and Jolly say that their teachers will attend.

Mason and Bracken counties have been doing their part in educational meetings for two years and we are sure that they will continue to be ps progressive. Prof. W. J. Caplinger and the Maysville teachers will also attend. It is an injustice to the children of any district for the trustee and teacher to fail to attend these great educational meetings where the greatest educators of the nation give such instructive addresses. And any city or county superintendent who fails to attend fails to get the best for the schools over which he or she may have charge.

We were the recipient of a beautiful art calendar made by Elza Lee Boyd, a pupil of Miers va school in Mason county, while teacher in Mrs. Dobbins. He is in the 6th grade. We have the calendar in our office and want the teachers to examine it. The exhibit of the Minerva school at the School Fair in Maysville last November was simply fine. All of our teachers saw the exhibit.

I shall be in the office all of the week except one day I want to spend with the Myers school. I will spend one day next week with the Moorefield school. I shall then be away a few days to see the trustees, and I may go to Richmond, Va.

The clubs will be organized the 2nd Saturday in March.

Stringing Pearls.

Only the finest silk is used for stringing the finest pearls. Great beads, round and shiny, unmistakably artificial, and with no more real luster than white marbles, with the exception of what are called Roman pearls, manufactured many years ago, may be allowed to hang together on catgut, but oriental must be threaded, pearl kissing pearl, on silken strands, worthy of their shape and "skin."

PLAIN TALK

From Two Prosperous Housewives, About Peruna.

Mrs. E. T. Gaddis

Mrs. E. T. Gaddis, of Asheville, North Carolina, writes to the Peruna Co., Columbus, O.: (as follows: "Before I commenced to take Peruna I could not do any kind of work without suffering a great pain. I took Peruna and now I am able to do my work without any pain. I took Peruna and now I am able to do my work without any pain. I think Peruna is a great medicine for womankind."

Mrs. Sarah Frye, No. 105 Sylvan Ave., Asbury Park, N. J., writes: "I have no words to express my gratitude for the wonderful cure that Peruna has done for me. It is a godsend to all suffering women. Peruna has done wonderful work for me.

"I was sick over half of my life with systemic catarrh. I want this letter published far and wide, as I was a great sufferer, but to-day I feel as well as anybody. I say to all

"Nearly all my friends have used Peruna and make and arrange for me, but none of them did me any good. But since I started on your Peruna one year ago I have at last found relief in your wonderful Peruna. I began to improve and was not going to get well, but thank God I am well to-day.

"I hope and pray you may live long to help others as you have helped me. Instead of being a walking dru store I am growing fat and doing well. I will never be without Peruna."

Those who object to liquid medicines can now procure Peruna Tablets.
