What you want in paint is one that flows freely from the brush, that spreads evenly, but has enough body to stay spread.

You can shut your eyes and tell from the feel of the brush, as you paint, that

Hanna's Green Seal Paint

is full-bodied, smooth, elastic and tenacious. You can feel it cling to the wood, and in after years you can see it cling.

There is no secret about making good, durable paint. The formula is on every can of the Green Seal Paint.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I continued taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

Keep Bowel Movement Regular

Dr. King's New Life Pills keep stomach, liver and kidneys in healthy condition. Rid the body of poisons and wastes. Improve your complexion by flushing the liver and kidneys. "I got more relief from one box of Dr. King's New Life Pills than any medicine I ever tried," says C. E. Hatfield, of Chicago, Ill. 25c. at your Druggist.

What Progress?

How do you measure your station as compared with a year ago? Is the size of your bank account, or the appliances you have now, by the wider knowledge you have gained, or the ideals you have reached, be what you have achieved for humanity? Compared with a year ago, what are you today as the result of moral reaction that the world's efforts have created within you?—School Education.

Child Cross? Feverish? Sick?

A cross, peevish, listless child, with coated tongue, pale, doesn't sleep; eats sometimes very little then again ravenously; stomach sour; breath fetid; pains in stomach, with diarrhoea, grinds teeth while asleep, and starts up with terror—all suggest a Worm Killer—something that expels worms, and almost every child has them. Kickapoo Worm Killer is needed. Get a box today. Expert advice free. You don't have to coax, as Kickapoo Worm Killer is a candy confection. Expels the worms. The cause of your child's trouble. 25c. at your druggist.

Distorted Education.

Education is not confined to disciplined education in a normal or country school. Nature herself, who did much to promote the Stanley school movement, continues her operations in the world to children to read the Bible, the naturalist, which counts every day a feast for them for servants. "I allow of anything for the good," not stated emphatically.

Most Prompt and Effectual Cure For Bad Colds

When you have a bad cold you want a remedy that will not only give relief, but effect a prompt and permanent cure, a remedy that is pleasant to take, a remedy that contains nothing injurious. Chamberlain's Cough Remedy meets all these requirements. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and restores the system to a healthy condition. This remedy has a world wide sale and use, and can always be depended upon. Sold by all dealers.

Last Hole, Indeed.

The golf story is of an ancient Scotch golfer whose companions died and was about to be buried. The Scotsman struggled out to the cemetery to be present at the interment, and arriving there, did not know where the grave was. He noticed a boy with a whistle. "Waist, lad," he said, "it's a new course. Where's the hole?"

Rheumatism Quickly Cured

"My sister's husband had an attack of rheumatism in his arm," writes a well known resident of Newton, Iowa. "I gave him a bottle of Chamberlain's Liniment which he applied to his arm and on the next morning the rheumatism was gone." For any chronic muscular rheumatism you will find nothing better than Chamberlain's Liniment. Sold by all dealers.

To Keep Above Social Grind.

The thing one loves to do is never tiresome, and if you can teach yourself to enjoy the common routine there will never be any depressing fatigue. Perhaps one can never grow to love the drudgery part of any work, but if the mind is kept above it by working toward a more efficient way of performing the task, or better, by training the mind to do the homely things with the thoughts on something else, you will obviate much of the social weariness, especially in the housework routine.

Health a Factor in Success

The largest factor contributing to a man's success is undoubtedly health. It has been said that a man is seldom sick when his bowels are regular—he is generally well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all dealers.

Dyspepsia Routed by Laughter.

"How many times I was disgusted by taking at it. I sat down at the club table and ordered a meal that would tempt a confirmed invalid, being a fellow who sometimes worry things." We ordered a dinner that would make a Thanksgiving dinner look like thin soup. Between each course I would tell the waiter to take it away, but he would not. I ate and drank and ate more again, and then I laughed—London Chronicle.

Cure For Stomach Disorders

Disorders of the Stomach may be successfully cured by the use of Chamberlain's Tablets. Many very remarkable cures have been effected by these tablets. Sold by all dealers.

Mineral Salt Not Necessary.

Mineral salts are not necessary. Marquese introducers perfectly healthy without them. Some young children and fowls was to salt, but such as the grits gathered from the seashore is a luxury to be enjoyed by a chosen few. Such a grit would be worthless to life can be lived upon only such as is supplied by the vegetables of Canada and Ireland.

Coughed For Three Years

"I am a lover of your goods to humanity and science," writes medicine, Dr. King's New Discovery, cured my cough of seven years' standing," says Mrs. Clementine Lemmon, of Ohio. "Have you an annoying cough? It will stubborn and won't yield to treatment? Get a 50c. bottle of Dr. King's New Discovery today. Why it did for Mrs. Lemmon Fleming it will do for you. No matter how stubborn or chronic a cough may be, stops a cough and gives relief. For lung trouble, Relief or grippe, 50c. and $1.00 at your druggist.

Bucklen's Arnica Salve for Pimples.

Indigestion? Is Eat? No Appetite

Get Dr. Bucklen's Arnica Salve for Eczema.

THE SIGN OF A GOOD WAGON

THE PROOF OF THE UNEQUALED QUALITY OF THE OLD HICKORY WAGON IS IN ITS WEIGHT

EVERYBODY KNOWS that wood is lighter than iron. Therefore, a wagon that is all wood must be lighter than one that has iron in it. Everybody knows that wood is the best material for spokes, and that hickory is the best wood for spokes. Everybody knows that wood is the best material for hubs. Everybody knows that wood is the best material for rims. Everybody knows that wood is the best material for bodies. Everybody knows that wood is the best material for gears. Everybody knows that wood is the best material for seats. Everybody knows that wood is the best material for everything except tires.

THEY ARE EASIER RUNNING because they are lighter. Everybody knows that a light wagon is easier to pull than a heavy one. Everybody knows that a wagon with wooden spokes is easier to pull than one with iron spokes. Everybody knows that a wagon with wooden hubs is easier to pull than one with iron hubs. Everybody knows that a wagon with wooden rims is easier to pull than one with iron rims. Everybody knows that a wagon with wooden bodies is easier to pull than one with iron bodies. Everybody knows that a wagon with wooden gears is easier to pull than one with iron gears. Everybody knows that a wagon with wooden seats is easier to pull than one with iron seats. Everybody knows that a wagon with wooden everything except tires is easier to pull than one with iron everything except tires.

"OLD HICKORY" WAGONS are built with the old-time quality and better than ever before. Every part is made of the best material that can be found for the purpose. Every part is made by the most skilled workmen that can be employed for the purpose. Every part is made in the most perfect factory that can be built for the purpose. Every part is made with the most perfect machinery that can be bought for the purpose. Every part is made with the most perfect tools that can be bought for the purpose. Every part is made with the most perfect jigs that can be bought for the purpose. Every part is made with the most perfect dies that can be bought for the purpose. COMMENT

—Persistent advertising brings results.

The Paris Democrat thinks J. N. Camden would make "the strongest candidate so far mentioned" for the Democrats to nominate for Governor.

If readers miss your advertisement, is it not likely—that they will conclude you have quit business, or your business is running down? The atmosphere of success draws trade.

Rev. John S. Shouse, well known and widely loved minister of the Christian Church, died at his home in Lexington, Thursday morning, as the result of a stroke of paralysis. His death will be deeply mourned by all who knew him.

Tom Cromwell, writing in the Cincinnati Enquirer, is still of the opinion that Beckham is to be an easy winner in the coming senatorial primary. Cromwell has been at the newspaper game for years and as an astute observer of conditions political in the Commonwealth has few equals.

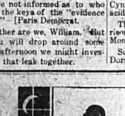
"Just after I decided I couldn't run for the Senate, I was foolish enough to try to run for a car," said Senator Bradley to visitors who came to ask about his stunned hand last week. The Senator broke two fingers and was considerably bruised up last Thursday while trying to board a moving street car on Capitol Hill, in Washington.

Our neighbors over at North Middletown held their annual fish fry Saturday, on Stoner, near Sears' Mill. The catch was satisfactory, and that the dinner which was served was delicious, goes without saying. The good housewives over that way, when they lay themselves out to fix up a little lunch, would tempt the ghost of Epicurus to return from the Elysian Fields.

Upon John F. Buckingham, close personal associate and friend of the late John C. C. Mayo, will fall the burden of directing the work of development begun by Mr. Mayo in Eastern Kentucky, according to press dispatches. Mr. Buckingham was one of Mayo's pupils when the latter taught school in the Mountains. He is but 39 years old.

In Carlisle the officials set apart a burglar-proof vault in which to confine jugs and bottles of "evidence", yet it is said this evidence leaks out in spite of all the efforts of the officials. We are not informed as to who keeps the keys of the "evidence vault."—Paris Democrat.

Neither can we, William, but if you will drop around some rainy afternoon we might investigate that leak together.



Drug Store Movies:

"THE MIDNIGHT PATROL"

Pretty old film, this. But the moral's always new. It is: "Watch your step!" Why didn't you buy that teething ring long ago? And that niter, too. Now how about purchasing your medicines in big quantities? Cheaper and handier.

Chas. E. Butler & Co.

Brief News Of Neighboring Counties

ROBERTSON

Died—Mr. Henry Henson, aged 84, one of Robertson's oldest and highly respected citizens of the infirmities incident to old age.

Married—Mrs. Elmer Shields and Miss Phoebe McKenzie.

MONTGOMERY

At the regular meeting of the Mt. Sterling City Council Mr. A. R. Robertson was elected to fill the unexpired term of the late James McDonald. Mr. M. J. Goodwin was elected City Engineer, Capt. C. H. Petry, H. C. Howell and R. H. White were selected as the City Tax Supervisors.

Mayor Oldham advises us that the city has purchased and will receive this week ten more carloads of rock to be used in repairing the streets. The city recently purchased and spread twenty carloads.—[Advocate.

BATH

Married—Joshua Ewing, of Owingsville, and Miss Bessie Botts, of Preston, in Louisville. John Hughes Ginter and Miss Nellie Shultz, at Salt Lick.

Bath County Circuit Court in session.

Jailer Robt. Duff, as custodian of the county's property, has brought suit in the Bath Circuit Court against Andrew Denton and Wm. Garner, for possession of the lots on which Mr. Denton has his blacksmith shop and grist mill.

HARRISON

Mr. Frank Phelps suffered a broken leg, and his wife was painfully bruised about the face and head as the result of a motorcycle accident on the Falmouth road, near Cynthiana last Sunday evening.

Marion Wiglesworth, bachelor, aged 50, suicided Saturday morning, May 9, at the home of his brother-in-law, Mr. Lee Day, on the White Oak pike, near Cynthiana, by drinking carbolic acid.

The regular term of the Harrison Circuit Court convenes on Monday, May 25th.

Sunday morning, at Boyd, Dorsey Williams, little daughter of George Williams, was injured about the head and body by being struck by Rev. J. W. McClure's buggy and run over.

Mr. and Mrs. C. H. Haviland announce the engagement of their daughter, Jessie, to Mr. Charles Steele, of Detroit, Mich.

Married—Mr. Frank Stroub and Margie Slade, in Cynthiana.

—Mr. Homer H. Godman and Miss May J. Megee, in Cynthiana.

Died—Mrs. Sarah P. Jones, at the home of her husband, Mr. Guy Jones, near Addison, from heart trouble.—Mrs. Susan M. Barbee, wife of Lt. H. Barnes, at their home in Cynthiana, after a week's illness from pneumonia.—Mr. John Filer, at the home of his son-in-law, Mr. Mac Lizer, near Lair, from the infirmities of age.

BOURBON

Thomas Bass, of Missouri, well known in saddle and horse show circles, has purchased of E. K. and M. Thomas, of North Middletown, this county, the three-year-old saddle filly, Miriam, by Bourbon King, out of Reverie by Eric Chief. The price paid was not made public.

The Hon. Claude M. Thomas of Paris, former State Senator from the Bourbon-Clark-Montgomery district, may become a candidate for the Democratic nomination from the Seventh Congressional district to succeed the Hon. J. Campbell Cantrill.

Judge Mitchell says the little fellow had never seen a train before, and that the streets and buildings of the town were wonderful sights to his childish mind. Everything was new to the little fellow, and an effort will be made to find him a permanent home with some family in this or an adjoining county.

Died—Mrs. Mary Penn McLeod, aged 76 years, from the infirmities of age, following a ten days' illness.—Mrs. Eleanor Arnold Daniels, daughter of Mr. and Mrs. James M. Arnold, of Covington, at a hospital in Atlanta, Ga., following a protracted illness. Burial in Paris cemetery.

Married—Miss Daisy Hull, of Paris, and Mr. Colonel Webb, of Bourbon county.

Millersburg correspondent to Kentuckian-Citizen: The reception, Wednesday afternoon, given by Mrs. Wm. Metcalfe and Miss Alfa Ball at Mrs. Metcalfe's beautiful suburban home, was a delightful affair. Mrs. Metcalfe and Miss Ball were assisted in receiving by Mrs. Dan Kimbrough, of Cynthiana, and Mrs. John Connell, of Paris, and Mrs. Prewitt. The house was decorated in white and green, a profusion of flowers and ferns carrying out the color scheme. Hot tea and cheese sandwiches and cakes were served by Mrs. C. B. Smith and Mrs. Clarke Leer, and, in the dining room, Mrs. Lutie Berryhill, of Paris, Mrs. Garrett Jefferson and Mrs. Green Leer served individual cream, carrying out the colors. The center table was beautifully adorned with a lace cover and lighted with green and white candles.

FLEMING

On Wednesday of last week Oliver Burns returned to John's son from Martinsville, Ind., with a pretty well developed case of smallpox. He came up on the train from Maysville and a good many persons came in contact with him and there will be a good deal of uneasiness on their part in the next few days. He had been exposed to a case somewhere like four weeks before but it is likely he contracted the disease while at Martinsville. Proper precautions have been taken to prevent the spread of the disease, and Mr. Burns is said to be having it in mild form.—[Times Democrat.

The Fiscal Court was called in special session Monday of last week to consider the question of making an appropriation for a tuberculosis hospital and also to appropriate the money to pay half the salary of a County Agent or Demonstrator. Both propositions were turned down.

Died—George Peck, aged about 77, at his home near Elizaville after an illness of some weeks from the infirmities of age. He had been blind for over 40 years but could get around and attend to his affairs in a surprising manner.—[Gazette.

Mr. and Mrs. Chas. Foxworthy, of Mt. Carmel, announce the engagement and approaching marriage of their daughter, Allene, and Mr. William Thompson Hatch, of Nashville, Tenn., the wedding to take place June 24 at home.

Married—Aaron Cooper and Miss Inez McCord, in Maysville.

The trustees of the Ewing Graded and High School elected teachers for the ensuing year as follows: Prof. Ben Kidwell, principal; Mrs. Lutie P. Williams, high school department; Miss Avah Hughes, intermediate department, and Miss Charlotte Stewart, primary department.

12-Year-Old Boy Shoots and Kills Baby Sister

One of the most pitiful tragedies in the history of this county occurred Thursday afternoon, near the farm of Mr. William Berry, near Moorefield, "when Russell Feeback, aged twelve, sent and mortally wounded his little sister, Ethel, aged six.

The bullet entered the child's stomach and ranged upward, coming out under the shoulder blade. She retained consciousness until a few moments before her death, which occurred Friday morning at 2 o'clock.

The exact manner of the occurrence will probably never be known. One story is that the child, in taking up the revolver, dropped it, when it was discharged; another, that the boy ordered his little sister to stop rocking a chair, and upon her failure to do so, he aimed the weapon at her, believing it empty, and thinking to frighten her.

The shooting took place about o'clock Thursday afternoon, during the absence of the mother of the children, Mrs. Ruth Feeback, who had gone to help Mrs. Wilburn Berry in house cleaning, and Mrs. Berry's daughter, Mrs. Homer H. Godman and Miss May J. Megee, in Cynthiana.

Died—Mrs Sarah P. Jones, at the home of her husband, Mr. Guy Jones, near Addison, from heart trouble.—Mrs. Susan M. Barbee, wife of Lt. H. Barnes, at their home in Cynthiana, after a week's illness from pneumonia.—Mr. John Filer, at the home of his son-in-law, Mr. Mac Lizer, near Lair, from the infirmities of age.

Crop Report For Kentucky As Of May First

"After a drouth, a good crop year," is an old saying that is believed by most farmers, in truth there seems to be some scientific basis for this. The first crop report for the year 1914 would indicate that this year would be no exception to the rule. Probably never in the history of the State was there a more promising outlook for a "good crop year" than at the beginning of this season.

The wheat acreage of last fall is given at 95 and practically none of this was plowed up this Spring. Ninety-seven per cent of the original sowing was left standing May 1st. The condition of this large acreage is 99. This would indicate an unusually large yield of wheat. The original acreage of rye sown last fall was 95. Rye is used more as a pasture crop than wheat, a large per cent. of which is plowed up in the Spring for corn or oats. The last few years rye has proven a more profitable crop than wheat per acre and it is no surprise to find that 82 per cent. of the original acreage is left standing May 1st, while only 82 per cent. of the barley crop is left standing. The amount of barley originally sown was 77 and the condition of both rye and barley is given at 98. The corn acreage planned is 91 per cent. while 76 per cent of the plowing intended for corn was done May 1st. Planting is now in full swing with conditions favorable. Deep plowing has been practiced this year more than ever before and favorable weather for the next few weeks will insure a large acreage of corn in a first-class seed bed. The oat acreage planned is given at 89 with 80 per cent of it sown May 1.

While the dark tobacco crop planned is only at 70, the condition of plant beds is given at 96. The acreage planned of burley is given at 81 with the condition of plant beds 91. There is some complaint of insects and cut worms injuring the tobacco beds.

The pastures are in unusually good condition. The condition of blue grass is given at 93, with over promise of a large crop of blue grass seed. Clover is given at 88, alfalfa at 93, and orchard grass at 92.

The fruits of all kind have escaped destruction by freezing and the apple, cherry and plum crop is unusually promising. Pears and peaches suffered some from late frost, especially in the central part of the State, however, we will have more than three-fourths of a pear and peach crop. The strawberries are in good condition with promise of a bountiful yield. Ninety-five per cent of a potato crop is planted.

Live stock of all kinds came through the winter in good condition. It is estimated that 4 per cent of the horses died in the last 12 months, 3 per cent of the mules and 4.2 per cent of the cattle. The loss of sheep is estimated at 6 per cent and lambs at 10 per cent. The greatest loss is from hog cholera and it is estimated that 11.2 per cent of the hogs of the State were lost by this disease, some sections of the State being entirely free from this disease, while the loss runs as high as 50 per cent in other sections. This report indicates that there is an unusual amount of attention being paid to live stock. The number of pure bred mares used is increasing and the number of mules used upon the farm decreasing. It is also worthy of note that a great deal more attention has been paid to alfalfa this Spring than ever before. The amount of ground limestone used upon the clover land has greatly increased.

Summing up the first report of the year, one cannot but be impressed with the determination of the farmers to make the coming crop the greatest ever grown in the State.

J. W. NEWMAN,
Commissioner of Agriculture, Frankfort, Kentucky.

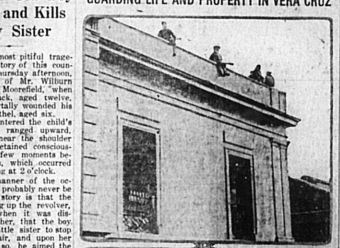
Painful Accident Is Suffered By Carlisle Boy

Joseph Durrum, son of Dr. A. H. Durrum, of this county, suffered a painful accident at Henderson, Ky., last week, when a 66 foot telephone pole fell on him, crushing the small bones in both ankles.

Dr. Durrum left here Monday morning to be with his son, who will be brought home as soon as he is able to travel. It was at first feared the injury suffered was even more serious, the first message reaching here being to the effect that both legs were crushed.

Mrs. Durrum is employed by the Central Union Telephone Company at Henderson.

GUARDING LIFE AND PROPERTY IN VERA CRUZ



The upper photograph shows American sharpshooters on the roof of a Vera Cruz building ready to pick off Mexicans, while the lower shows bluejackets guarding warehouses from behind temporary breastworks.

Former Manager of Paris Team Dies at Cincinnati

Cincinnati, May 15.—Edward McKernon, well-known baseball player of Cincinnati, and manager of the Southern, Michigan League and a few years ago with the Paris team in the Blue Grass League, died at the Bethesda Hospital, Cincinnati, Thursday. McKernon was ill for the past nine months and was confined to his bed for three months. His death was due to cancer of the liver.

Outlook Good For Big Yield of Grass Seed

Indications are favorable for a bumper crop of blue grass seed this year. Two years ago the grass seed harvest was the largest in years. Last year the crop was small. With favorable weather conditions, this year's crop from present indications should be almost equal to that of 1912.

Stoney Creek

The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analyses, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.

Royal Baking Powder is indispensable for making finest and most economical food.
