CHAPTER IV.  
DURING the night, the work was done as though another day had passed. The moon shone brightly through the trees, and the stars were visible in the sky. The sound of the water in the stream was heard, and the rustle of leaves was heard. The night was peaceful and quiet.

"What a night!" said the man. "The moon is so bright, and the stars are so clear. It is a beautiful night." He looked up at the sky and smiled. The night was indeed beautiful, and he was enjoying it very much.

"Yes, it is a beautiful night," said the woman. "The moon is so bright, and the stars are so clear. It is a beautiful night." She looked up at the sky and smiled. The night was indeed beautiful, and she was enjoying it very much.
