

VISITING NURSES IN THE STATE

STATE TUBERCULOSIS COMMISSION NOW WILL START SERVICE IN SEVERAL LOCALITIES

GOOD WORK IS ACCOMPLISHED

County Public Health Legals Formed for Purpose of Cooperating with the State Officers.

Francis P. Robinson, Tuberculosis Commission has paid much attention to the establishment of visiting nurse work in the smaller cities of the state. In Maryland, the first year of the program was successful. The state has been successful in several months.

The visiting nurse work will be started in several places. The Tuberculosis Commission has secured the services of Mrs. M. J. Johnson and A. B. Smith, of the Bureau of Tuberculosis, to be sent out to help a range of education in the localities of the state.
