GRANDMA'S TELEPHONE is a sprightly old lady who keeps in touch with her friends in the next town, lives another and of whom she is very fond. It is impossible, but every day they call each other up on telephone and have the most delightful chats.

No one gets more comfort and pleasure out of the family telephone than Grandma's.

Stomach Trouble FOR FIVE YEARS

Majority of Friends Think Hughes Would Do Me Recovery.

My wife and I, I have been suffering from Stomach Trouble for five years. I had tried everything, but nothing helped. I was told to try Dr. Williams' Pink Pills for Pale People. I bought a box and took it. In a few days I felt better. In a few weeks I was completely recovered. I can now eat anything I want and I feel like a new man. I have recommended this medicine to all my friends and they are all cured. I have written to Dr. Williams and told him how I was cured. I hope it will help others who are suffering from Stomach Trouble.
