

Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught." Mrs. Sylvia Woods, of Cuba, Mo., Ky. "I certainly had no equal for it. I was laid up and almost dead. I finally bought Thedford's Black-Draught and took it. When she had the remedy, she went to bed, but one good dose of Thedford's Black-Draught made her break out, and she had a good night's sleep. I shall never be without it."

THEDFORD'S BLACK-DRAUGHT

In my case... For constipation, indigestion, headache, dizziness, malaria, chills and fever, leucorrhoea, and all ailments, Thedford's Black-Draught has proved itself a reliable, gentle and valuable remedy.

If you suffer from any of these complaints, by Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success prove its value. Good for young and old. For sale everywhere. Price 25 cents.

RABBIT DOG BITES GIRL

Miss Eva Pugh, the step-daughter of Mr. J. H. Pugh, was bitten by a rabbit dog on the leg of her dress. The dog was owned by Mr. J. H. Pugh and was kept in the yard of his home on the corner of the city. The dog was a white rabbit dog and was about two years old. It was very tame and was often seen in the yard. It was on the 2nd inst. that it bit Miss Pugh. She was sitting on the porch of her home and the dog came up to her and bit her on the leg of her dress. She was very much frightened and screamed for help. Her mother and father heard her and ran to her. They found her on the porch and she was bleeding from the bite. They took her to the hospital and she was treated for several days. The dog was killed and its head was sent to the hospital for examination.
