

MINE SCHOOL WILL BE OPENED

Practical Operators Will Take Work on Extension Course.

PROPER METHOD OF MINING

Eight Weeks Course for Miners Given at University of Kentucky.

Practical Operators' Committee of the University of Kentucky has announced that it will open a course in the proper method of mining. The course will be given at the University of Kentucky, Lexington, Ky., and will consist of eight weeks of instruction. The course will be given in the form of a series of lectures and practical demonstrations. The course will be given in the form of a series of lectures and practical demonstrations. The course will be given in the form of a series of lectures and practical demonstrations.

GLOSING IN ON RUSS

GERMANS WITH MILERS OF THE POLISH CAPITAL IN RAPID ADVANCE.

CITY'S FALL SEEMS CERTAIN

Continuing Russian Line to Warsaw, Poland, Shows That the Polish Capital is in Danger.

Continuing Russian line to Warsaw, Poland, shows that the Polish capital is in danger. The Russian army has advanced rapidly towards the city, and the Polish government has fled. The city is now in the hands of the Russians, and the Polish people are suffering under their rule. The Russian army has advanced rapidly towards the city, and the Polish government has fled. The city is now in the hands of the Russians, and the Polish people are suffering under their rule.

GEN. PALM GONZALES

WILL REAFFIRM HIS RIGHTS

HEARD BROOKE

U. S. MAY TAKE DRASTIC ACTION

In Mexico is to take Part in Conference, U.S. May Take Drastic Action if He Refuses to Surrender. U.S. may take drastic action if he refuses to surrender. The U.S. government has issued a warrant for the arrest of General Palm Gonzales, and has threatened to take drastic action if he does not surrender. The U.S. government has issued a warrant for the arrest of General Palm Gonzales, and has threatened to take drastic action if he does not surrender.
