The Empty Bowl

Post Toasties —the Superior Corn Flakes Sold by Grovers everywhere.

Only the inner sweet meats of choicest Indian Corn are used in making Post Toastics. These meaty bits of nourishment are cooked, rolled wafer thin, seasoned "just right" and toasted to an apperving golden-brown. The flakes come to you in dust-proof, germ-proof wax wrappers ready to serve direct from the package—crisp, fresh and delicious as when they leave the big ovens.
