

# The Call of the Cumberlands

By Charles Neville Buck

With Illustrations  
Photographs of Scenes  
in the Play

## SYNOPSIS

When the war broke out, the Cumberlands were a quiet, peaceful place. But the war changed everything. The people of the Cumberlands were called to arms, and the quiet life was broken. The story follows the lives of several people in the Cumberlands during the war, showing how the war affected them and how they coped with the changes.

## CHAPTER I—Continued

As the war progressed, the Cumberlands became a place of hardship and struggle. The people were separated from their loved ones, and their lives were in constant danger. The story continues to follow the lives of the people in the Cumberlands, showing their resilience and the impact of the war on their lives.

## THE CARLEISLE MERCURY

Advertisements and notices for local businesses and services. Includes information about various shops, professionals, and community events.

## THE KITCHEN CABINET

Advertisement for a kitchen cabinet, highlighting its features and quality. The ad mentions that the cabinet is made of solid wood and is both functional and beautiful.

## IS CHILD CROSS, FEVERISH, SICK

Advertisement for a medicine or treatment for children's ailments. The ad claims that the product is effective for various symptoms such as fever, sickness, and general weakness.

## APPLICATION OF LIME-SULPHUR MIXTURES

Advertisement for a lime-sulphur mixture, likely used for agricultural or pest control purposes. The ad describes the benefits of the mixture and provides instructions for its application.

## FAMOUS OLD BLARNEY

Advertisement for a beverage or food item, possibly a stout or ale. The ad emphasizes the 'famous old' nature of the product and its quality.

## SHAMROCKS

Advertisement for Shamrocks, likely a brand of clothing or accessories. The ad features a picture of a person wearing the product and describes its style and quality.

## FARMERS WHO SUCCEED IN WESTERN CANADA

Advertisement or article about farming in Western Canada. It discusses the challenges and opportunities for farmers in the region and provides advice on successful farming practices.

## Put Off Old Age

Advertisement for a health product or service aimed at promoting longevity and vitality. The ad claims that the product can help people live longer and healthier lives.

## CASTORIA

Advertisement for Castoria, a well-known laxative. The ad describes its benefits for various ailments and its long history of use.

## AMERICA'S DEBT TO IRELAND

Article discussing the economic relationship between Ireland and America. It explores the impact of American trade and investment on Ireland's economy.

## DRINK LOTS OF WATER

Health article or advertisement emphasizing the importance of staying hydrated. It discusses the benefits of drinking water for overall health and well-being.

## LAND CLEARING DURING COLD WEATHER

Article or advertisement providing tips and techniques for clearing land during winter. It discusses the challenges of cold weather and offers practical advice for farmers and landowners.

## LOOKING OVER THE FIBRO

Article or advertisement related to the Fibro, possibly a type of material or product. The text is partially obscured but appears to discuss the properties and uses of the material.

## LESS HOSTILE TO FOREIGNERS

Article discussing international relations and the impact of the war on global politics. It explores the changing attitudes towards foreigners and the role of the United States in the world.

## THE AMERICAN DEBT TO IRELAND

## LAND CLEARING DURING COLD WEATHER

Continuation of the article providing tips for land clearing in winter. It offers more detailed advice on the techniques and equipment used for clearing land during the cold months.

## LOOKING OVER THE FIBRO

Continuation of the article related to the Fibro. The text is partially obscured but appears to discuss the material's properties and applications.

## LESS HOSTILE TO FOREIGNERS

Continuation of the article discussing international relations. It explores the impact of the war on global politics and the role of the United States.

## THE AMERICAN DEBT TO IRELAND

Continuation of the article discussing the economic relationship between Ireland and America. It provides more details on the trade and investment flows.

## DRINK LOTS OF WATER

Continuation of the health article emphasizing the importance of drinking water. It provides more information on the benefits of water.

## LAND CLEARING DURING COLD WEATHER

Continuation of the article providing tips for land clearing in winter. It offers more detailed advice on the techniques and equipment used.

## LOOKING OVER THE FIBRO

Continuation of the article related to the Fibro. The text is partially obscured but appears to discuss the material's properties and applications.

## LESS HOSTILE TO FOREIGNERS

Continuation of the article discussing international relations. It explores the impact of the war on global politics and the role of the United States.

## THE AMERICAN DEBT TO IRELAND

Continuation of the article discussing the economic relationship between Ireland and America. It provides more details on the trade and investment flows.

## DRINK LOTS OF WATER

Continuation of the health article emphasizing the importance of drinking water. It provides more information on the benefits of water.

## LAND CLEARING DURING COLD WEATHER

Continuation of the article providing tips for land clearing in winter. It offers more detailed advice on the techniques and equipment used.

## LOOKING OVER THE FIBRO

Continuation of the article related to the Fibro. The text is partially obscured but appears to discuss the material's properties and applications.

## LESS HOSTILE TO FOREIGNERS

Continuation of the article discussing international relations. It explores the impact of the war on global politics and the role of the United States.

## THE AMERICAN DEBT TO IRELAND

Continuation of the article discussing the economic relationship between Ireland and America. It provides more details on the trade and investment flows.

## DRINK LOTS OF WATER

Continuation of the health article emphasizing the importance of drinking water. It provides more information on the benefits of water.

## LAND CLEARING DURING COLD WEATHER

Continuation of the article providing tips for land clearing in winter. It offers more detailed advice on the techniques and equipment used.

## LOOKING OVER THE FIBRO

Continuation of the article related to the Fibro. The text is partially obscured but appears to discuss the material's properties and applications.

## LESS HOSTILE TO FOREIGNERS

Continuation of the article discussing international relations. It explores the impact of the war on global politics and the role of the United States.

## THE AMERICAN DEBT TO IRELAND

Continuation of the article discussing the economic relationship between Ireland and America. It provides more details on the trade and investment flows.

## DRINK LOTS OF WATER

Continuation of the health article emphasizing the importance of drinking water. It provides more information on the benefits of water.

## LAND CLEARING DURING COLD WEATHER

Continuation of the article providing tips for land clearing in winter. It offers more detailed advice on the techniques and equipment used.

## LOOKING OVER THE FIBRO

Continuation of the article related to the Fibro. The text is partially obscured but appears to discuss the material's properties and applications.

## LESS HOSTILE TO FOREIGNERS

Continuation of the article discussing international relations. It explores the impact of the war on global politics and the role of the United States.

## THE AMERICAN DEBT TO IRELAND

Continuation of the article discussing the economic relationship between Ireland and America. It provides more details on the trade and investment flows.

## DRINK LOTS OF WATER
